Notice is hereby given that the annual meeting (the “Meeting”) of the holders of common shares (“Common Shares”) of Constellation Software Inc. (“CSI” or the “Corporation”) will be conducted as a virtual meeting to be held via live audio webcast online at: <https://web.lumiagm.com/250907026> on May 6, 2021 at 8:00 a.m. (Eastern Time) for the following purposes:

- (a) to receive the financial statements for the year ended December 31, 2020 and the auditors’ report thereon;
- (b) to elect directors;
- (c) to re-appoint KPMG LLP as auditors for the ensuing year and to authorize the directors to fix their remuneration;
- (d) to consider and vote on an advisory resolution on CSI’s approach to executive compensation, and;
- (e) to transact such other business as may properly come before the meeting or any adjournment thereof.

The management information circular (the “Circular”) describes the business to be conducted at the Meeting and also describes the Corporation’s governance practices. A holder of Common Shares of record at the close of business on March 25, 2021 will be entitled to vote at the Meeting.

To mitigate risks related to the global COVID-19 (coronavirus) public health emergency to the Corporation’s shareholders, employees, communities and other stakeholders and based on government recommendations to avoid large gatherings, the Meeting will be conducted in a virtual only format, which will be conducted via live audio webcast. The live audio webcast will allow shareholders to have an equal opportunity to participate at the Meeting regardless of their geographic location or particular circumstances they may be facing as a result of COVID-19. Shareholders will not be able to attend the Meeting in person. A summary of the information shareholders will need to attend the Meeting online is provided in the Circular.

Registered shareholders and duly appointed proxyholders will be able to attend the Meeting, ask questions and vote, all in real time, provided they are connected to the Internet and comply with all of the requirements set out in the Circular. Non-registered shareholders who have not duly appointed themselves as a proxyholder will be able to attend the Meeting as guests and ask questions, but guests will not be able to vote at the Meeting.

A shareholder who wishes to appoint a person other than the management nominees identified on the form of proxy or voting instruction form (including a non-registered shareholder who wishes to appoint themselves to attend) must carefully follow the instructions in the Circular and on their form of proxy or voting instruction form. **These instructions include the additional step of registering such proxyholder with our transfer agent, Computershare Investor Services Inc., after submitting their form of proxy or voting instruction form. Failure to**

register the proxyholder with our transfer agent will result in the proxyholder not receiving a username to vote in the Meeting and only being able to attend as a guest.

If unable to attend the Meeting, a registered shareholder may submit his or her proxy by mail, by facsimile, by telephone or over the Internet in accordance with the instructions below.

A non-registered shareholder should follow the instructions included on the voting instruction form provided by his or her Intermediary.

The Corporation has elected to use the notice-and-access provisions under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) and National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102”) and together with NI 54-101, the “Notice-and-Access Provisions”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that allow issuers to post electronic versions of proxy-related materials on-line, via the System for Electronic Document Analysis and Retrieval (“SEDAR”) and one other website, rather than mailing paper copies of such materials to securityholders.

Electronic copies of this Notice of Annual Meeting of Shareholders, the Circular, the Corporation’s management’s discussion and analysis of the results of operations and financial condition of the Corporation for the year ended December 31, 2020 and the audited consolidated financial statements of the Corporation and accompanying notes for the year ended December 31, 2020 together with the auditor’s report thereon (the “2020 MD&A and Financials”) may be found on SEDAR at www.sedar.com and also on the Corporation’s website at www.csisoftware.com.

Shareholders are reminded to review the Circular before voting.

Shareholders will receive paper copies of a notice package (the “Notice Package”) via pre-paid mail containing a notice with information prescribed by NI 54-101 and a form of proxy (if you are a registered shareholder) or a voting instruction form (if you are a non-registered shareholder).

The Corporation will not use procedures known as ‘stratification’ in relation to the use of Notice-and-Access Provisions. Stratification occurs when an issuer using Notice-and-Access Provisions sends a paper copy of the Circular to some securityholders with a Notice Package.

Shareholders may obtain paper copies of the Circular and the 2020 MD&A and Financials free of charge by calling the following numbers and using the control number that appears on the form of proxy or voting instructions form.

VOTING BEFORE THE MEETING

Appointment and Revocation of Proxies

The persons named in the form of proxy are directors and/or officers of the Corporation. **Each shareholder has the right to appoint a person, who need not be a shareholder of the Corporation, other than the persons named in the form of proxy, to represent such shareholder at the Meeting or any adjournment thereof.** Such right may be exercised by inserting such person's name in the blank space provided in the form of proxy or by completing another proper form of proxy. **The additional registration step outlined below under “Voting at the Meeting – Appointment of a Third Party as Proxy” must also be followed.** All proxies must be executed by the shareholder or his or her attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized. A registered shareholder may submit his or her proxy by mail, by facsimile, by telephone or over the Internet in accordance with the instructions below.

A non-registered shareholder should follow the instructions included on the voting instruction form provided by his or her Intermediary (as defined below).

Notice-and-Access

The Corporation has elected to use the notice-and-access provisions under NI 54-101 and National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102” and together with NI 54-101, the “Notice-and-Access Provisions”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that allow issuers to post electronic versions of proxy-related materials on-line, via the System for Electronic Document Analysis and Retrieval (“SEDAR”) and one other website, rather than mailing paper copies of such materials to securityholders.

Electronic copies of this Notice of Annual Meeting of Shareholders, the Circular, the Corporation’s management’s discussion and analysis of the results of operations and financial condition of the Corporation for the year ended December 31, 2020 and the audited consolidated financial statements of the Corporation and accompanying notes for the year ended December 31, 2020 together with the auditor’s report thereon (the “2020 MD&A and Financials”) may be found on SEDAR at www.sedar.com and also on the Corporation’s website at www.csisoftware.com.

Shareholders will receive paper copies of a notice package (the “Notice Package”) via pre-paid mail containing a notice with information prescribed by NI 54-101 and a form of proxy (if you are a registered shareholder) or a voting instruction form (if you are a Non-Registered Holder (as defined below)).

The Corporation will not use procedures known as ‘stratification’ in relation to the use of Notice-and-Access Provisions. Stratification occurs when an issuer using Notice-and-Access Provisions sends a paper copy of the Circular to some securityholders with a Notice Package.

Shareholders may obtain paper copies of the Circular and the 2020 MD&A and Financials free of charge by calling the following numbers and using the control number that appears on the form of proxy or voting instructions form.

For holders with a 15 digit control number: Request materials by calling Toll Free, within North America - 1-866-962-0498 or direct, from Outside of North America – 1-514-982-8716 and entering your control number as indicated on your proxy or voting instruction form.

For holders with a 16 digit control number: Request materials by calling Toll Free, within North America - 1-877-907-7643 or outside of North America - 1-303-562-9305.

Any shareholder wishing to obtain a paper copy of the meeting materials should submit their request no later than April 22, 2021 in order to receive paper copies of the meeting materials in time to vote before the Meeting. Shareholders may contact Computershare Toll Free at 1-866-964-0492 or www.computershare.com/noticeandaccess to obtain more information about the Notice-and-Access Provisions. Under the Notice-and-Access Provisions, meeting materials will be available for viewing on the Corporation’s website for one year from the date of posting.

Non-Registered Holders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a “Non-Registered Holder”) are registered either:

- (A) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the Common Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans; or
- (B) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“CDS”)) of which the Intermediary is a participant.

Common Shares held in the name of an Intermediary or clearing agency can only be voted upon the instructions of the Non-Registered Holder. Without specific instructions, the Intermediary is prohibited from voting the Common Shares. **Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Applicable Canadian regulatory policy requires Intermediaries to seek voting instructions from Non-Registered Holders in advance of shareholders’ meetings. In Canada, many Intermediaries delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc.

Generally, a Non-Registered Holder will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, **in addition, if applicable, to the procedures set out below under “Voting at the Meeting – Appointment of a Third Party as Proxy”**, depending on the type of form they receive:

- 1) **Voting Instruction Form.** In most cases, a Non-Registered Holder will receive, as part of the meeting materials, a voting instruction form. If the Non-Registered Holder does not wish to attend and vote at the Meeting (or have another person attend and vote on the holder’s behalf), but wishes to direct the voting of the Common Shares they beneficially own, the voting instruction form must be submitted by mail, telephone or over the Internet in accordance with the directions on the form. If a Non-Registered Holder wishes to attend and vote at the Meeting (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must complete, sign and return the voting instruction form in accordance with the directions provided; or
- 2) **Form of Proxy.** Less frequently, a Non-Registered Holder will receive, as part of the meeting materials, a form of proxy that has already been signed by the Intermediary (typically by facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. If the Non-Registered Holder does not wish to attend and vote at the Meeting (or have another person attend and vote on the Non-Registered Holder’s behalf), but wishes to direct the voting of the Common Shares they beneficially own, the Non-Registered Holder must complete the form of proxy and submit it to Computershare as described above. If a Non-Registered Holder wishes to attend and vote at the Meeting (or have another person attend and vote on the holder’s behalf), the Non-Registered Holder must strike out the persons named in the proxy and insert the Non-Registered Holder (or such

other person's) name in the blank space provided and submit it to Computershare as described above.

In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those regarding when and where the proxy or the voting instruction form is to be delivered. In addition, if applicable, Non-Registered Holders should follow the procedures set out below under “Voting at the Meeting – Appointment of a Third Party as Proxy”.

A Non-Registered Holder may revoke a voting instruction form or a waiver of the right to receive meeting materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

Exercise of Discretion by Proxies

Common Shares represented by properly executed proxies in favour of the persons named in the form of proxy will be voted on any ballot that may be called for and, where the person whose proxy is solicited specifies a choice with respect to the matters identified in the proxy, the shares will be voted or withheld from voting in accordance with the specifications so made. **Where shareholders have properly executed proxies in favour of the persons named in the form of proxy and have not specified in the form of proxy the manner in which the named proxies are required to vote the shares represented thereby, such shares will be voted in favour of the passing of the matters set forth in the Notice.** The form of proxy confers discretionary authority with respect to amendments or variations to the matters identified in the Notice and with respect to other matters that may properly come before the Meeting. At the date hereof, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which at present are not known to management of the Corporation should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

VOTING AT THE MEETING

General

Registered Shareholders may vote at the Meeting by completing a ballot online during the Meeting, as further described below under “How do I Attend and Participate at the Meeting?”.

Non-Registered Holders who have not duly appointed themselves as proxyholder will not be able to vote at the Meeting but will be able to participate as a guest and ask questions. This is because the Corporation and Computershare, do not have a record of the Non-Registered Holders, and, as a result, will have no knowledge of your shareholdings or entitlement to vote unless you appoint yourself as proxyholder.

If you are a Non-Registered Holder and wish to vote at the Meeting, you have to appoint yourself as proxyholder by inserting your own name in the space provided on the voting instruction form sent to you and you must follow all of the applicable instructions, including the deadline, provided by your Intermediary. See “Appointment of a Third Party as Proxy” and “How do I Attend and Participate at the Meeting?” below.

If you are a U.S. beneficial shareholder, to attend and vote at the Meeting, you must first obtain a valid legal proxy from your broker, bank or other agent and then register in advance to attend the Meeting. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a legal proxy form. After first obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the Meeting, you must submit a copy of your legal proxy to Computershare. Requests for registration should be directed by mail to the attention of the Proxy Department of Computershare Investor Services Inc. at 100 University Avenue, 8th Floor, North Tower, Toronto, Ontario, M5J 2Y1 or by email at uslegalproxy@computershare.com. Requests for registration must be labeled as “Legal Proxy” and be received no later than May 4, 2021 by 8:00 a.m. (Eastern Time). You will receive a confirmation of your registration by email after Computershare receives your registration materials. Please note that you **MUST** also register your appointment at <http://www.computershare.com/Constellation>.

Appointment of a Third Party as Proxy

The following applies to Shareholders who wish to appoint someone as their proxyholder other than the management nominees named in the form of proxy or voting instruction form. This includes Non-Registered Holders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting.

Shareholders who wish to appoint someone other than the management nominees as their proxyholder to attend and participate at the Meeting as their proxy and vote their Common Shares **MUST** submit their form of proxy or voting instruction form, as applicable, appointing that person as proxyholder **AND register that proxyholder online, as described below. Registering your proxyholder is an additional step to be completed AFTER you have submitted your form of proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a username to vote in the Meeting and only being able to attend as a guest.**

Step 1: Submit your form of proxy or voting instruction form: To appoint someone other than the management nominees as proxyholder, insert that person’s name in the blank space provided in the form of proxy or voting instruction form (if permitted) and follow the instructions for submitting such form of proxy or voting instruction form. This must be completed before registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form.

If you are a Non-Registered Holder and wish to vote at the Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your Intermediary, follow all of the applicable instructions provided by your Intermediary AND register yourself as your proxyholder, as described below. By doing so, you are instructing your Intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your Intermediary. Please also see further instructions below under the heading “How do I Attend and Participate at the Meeting?”.

Step 2: Register your proxyholder: To register a third party proxyholder, Shareholders must visit <http://www.computershare.com/Constellation> by 8:00 a.m. (Eastern Time) on May 4, 2021 and provide Computershare with the required proxyholder contact information so that Computershare may provide the proxyholder with a username via email to participate in the Meeting. **Without a username, proxyholders will not be able to vote at the Meeting but will be able to participate as a guest.**

How do I Attend and Participate at the Meeting?

The Corporation is holding the Meeting in a virtual only format, which will be conducted via live audio webcast. Shareholders will not be able to attend the Meeting in person.

It is your responsibility to ensure connectivity for the duration of the Meeting. You should allow ample time to check into the Meeting online and complete the related procedures outlined above.

If you are using a 15-digit control number to login to the Meeting and you accept the terms and conditions, you will be revoking any and all previously submitted proxies. However, in such a case, you will be provided the opportunity to vote by ballot on the matters put forth at the Meeting. If you DO NOT wish to revoke all previously submitted proxies, do not accept the terms and conditions, in which case you can only enter the Meeting as a guest.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation has fixed March 25, 2021 as the record date (the “Record Date”) for the persons entitled to receive notice of the Meeting. The Corporation shall prepare a list of all persons who are registered holders of Common Shares on the Record Date and the number of Common Shares registered in the name of each holder on such date. Each holder of Common Shares is entitled to be present at the Meeting and to one vote for each Common Share registered in the name of such holder in respect of each matter to be voted upon at the Meeting. To the knowledge of the directors and officers of the Corporation, no person beneficially owns, or exercises control or direction over, directly or indirectly more than 10% of the outstanding Common Shares.

COMPENSATION OF EXECUTIVE OFFICERS

COMPENSATION DISCUSSION AND ANALYSIS

Objectives of the Corporation’s Executive Compensation Program

The primary objective of the Corporation's executive compensation program is to attract and retain highly skilled executives required for the success of the Corporation and to reward and retain executives who create long-term value for our shareholders. The Compensation, Nominating and Human Resources (“CNHR”) Committee is responsible for making recommendations to the Board of Directors of the Corporation (the “Board” or the “Board of Directors”) with respect to the establishment of a compensation plan for the Corporation's executive officers, including the Named Executive Officers (as defined below).

The Corporation’s executive compensation program consists of base salary and annual incentive compensation. The annual incentive compensation is paid by way of a cash bonus, although a portion of the bonus is usually required to be used to purchase Common Shares.

Total compensation for each executive officer is designed to be competitive. The compensation for the executives is determined based on the experience of the CNHR members and an internal comparison across the Corporation’s business units giving consideration to the size of the business unit and the performance metrics which are important to CSI, namely return on invested capital and revenue growth.

Several CSI executives voluntarily waived portions of their salary and bonus entitlements in 2020 and in previous years.

Base salary

Providing a market competitive base salary is necessary to attract new talent as required, and it assists in retaining skilled executive talent. Base salaries for the Operating Group executive officers and other Named Executive Officers are set by the CNHR Committee taking into account

the executive's responsibilities, skills, and in the case of the Operating Group executive officers, the size of the Operating Group in which they are employed. All executive salaries are reviewed annually by the CNHR Committee on the basis of the above criteria and adjusted accordingly.

Annual incentive bonus

The objective of our annual incentive bonus is to reward employees for working towards our goal of increasing shareholder value. We believe that shareholder value is created by managing two financial components over the long term: profitability and growth. As such, our corporate bonus plan, which compensates employees at all levels of our organization, is based upon return on invested capital ("ROIC") and net revenue growth (ROIC is calculated by dividing net income for bonus purposes for the year by the Average Invested Equity Capital for the period.). "Average Invested Equity Capital" represents the average equity capital of CSI, and is based on the Corporation's estimate of the amount of money that our common shareholders have invested in CSI. Subsequent to that estimate, the Corporation keeps a running tally and adds net income for bonus purposes, subtracting any dividends, adding any amounts related to share issuances and makes some minor adjustments, including adjustments relating to our use of certain incentive programs and the impairment of intangible assets. Neither net income for bonus purposes nor Average Invested Equity Capital are measures defined by International Financial Reporting Standards. Net income for bonus purposes is calculated by making a number of adjustments to net income per the annual consolidated financial statements. The principal adjustments to net income include adjustment for the impact of deferred income taxes, unrealized foreign exchange gains/losses, bargain purchase gains, reductions due to ownership interests in subsidiaries and amortization of intangibles.

An individual's annual incentive bonus is calculated as follows:

Base salary x Company performance factor x Individual factor

Individual factors for the Operating Group executive officers and other Named Executive Officers are set by the CNHR Committee taking into account the executive's responsibilities, skills, and in the case of the Operating Group executive officers, the size of the Operating Group in which they are employed.

The company performance factor for Operating Group executive officers is based upon the performance of their respective Operating Group. The President, CFO, and other head office employees' company performance factor is based upon the performance of the Corporation as a whole.

The company performance factor is determined by reference to net revenue growth and ROIC. ROIC is calculated by dividing net income for bonus purposes for the year by the Average Invested Equity Capital for the period. A 'risk free' rate of return established by the board (currently 5%) is netted from the ROIC. If the ROIC does not exceed the risk-free rate of return, then the manager of the business receives no bonus. The Corporation measures growth by looking at the year-over-year increase in net revenues for the particular Operating Group. Net Revenue is not a measure defined by International Financial Reporting Standards. It is calculated based on revenue as reported in the Corporation's consolidated financial statements prepared in accordance with International Financial Reporting Standards less any third party and flow-through expenses.

The Corporation's Average Invested Equity Capital during the year ended December 31, 2020 that was used to calculate bonuses was approximately \$2,826 million. The net income for

bonus calculation purposes was approximately \$834 million. Net revenues for bonus calculation purposes in fiscal 2020 and 2019 was approximately \$3,367 million and \$2,931 million, respectively. Measured in this fashion, the Corporation's ROIC (calculated by dividing net income for bonus purposes for the year by the Average Invested Equity Capital for the period) in 2020 was approximately 29% and the Corporation's net revenue growth was approximately 15%.

In considering the implications of the risks associated with the Corporation's annual incentive bonus structure, the CNHR Committee was satisfied that the counterbalance between ROIC (calculated by dividing net income for bonus purposes for the year by the Average Invested Equity Capital for the period) and net revenue growth and the requirement to invest 75% of their after-tax incentive bonus into Common Shares mitigates the risk that a Named Executive Officer would take inappropriate or excessive risks in respect of the Corporation's operations.

Although the Board may, at its discretion, increase or decrease the amount of annual incentive bonus awarded to a Named Executive Officer in a given year, it did not exercise such discretion in respect of the most recently completed fiscal year.

Investment of annual incentive bonus in Constellation shares

Executive officers are required to invest 75% of their after-tax incentive bonus into Common Shares. The shares are held in escrow for a minimum average period of four years. Once in every five-year period, executive officers may choose to receive their bonus entirely in cash. As of the date hereof, the Corporation does not have a formal policy that restricts the purchase by its Named Executive Officers, directors or other employees of financial instruments (including prepaid variable forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer, director or employee.

Mark Leonard's compensation

Mr. Leonard's compensation for acting as President of the Corporation during fiscal 2020 was determined by the CNHR Committee. The President's performance is reviewed on an annual basis, and changes to his base salary and/or the basis used for calculating incentive compensation in the coming year are made at that time. Mr. Leonard's and head office employees' incentive bonus entitlement is calculated in the same manner as the other executive officers as described above. In 2018, 2019 and 2020, Mr. Leonard voluntarily waived his entitlement to receive a salary and a bonus. Additional information regarding Mr. Leonard's compensation was included in a Letter to Shareholders filed on SEDAR on April 6, 2015.

Share Performance Graph

The following graph compares the total cumulative shareholder return over the five most recently completed financial years for C\$100 invested in Common Shares on such date with the total cumulative return of the S&P/TSX Composite Index on an annual basis.

	Dec 31/15	Dec 31/16	Dec 31/17	Dec 31/18	Dec 31/19	Dec 31/20
Constellation Software Inc. (CSU: TSX)	100	107	134	155	230	302
S&P/TSX Composite Index	100	121	132	120	148	156

The Corporation's total shareholder return increased by 202% since December 31, 2015, while the S&P/TSX composite index increased by 56% over the same period. Named Executive Officer compensation from 2015 to 2020, increased by 23%, compared to the 202% increase in cumulative shareholder return over the same period. The CNHR Committee believes that the increase in compensation since December 31, 2015 reflects the improvement in the overall performance of the Corporation as net revenue and net income used for bonus purposes grew by 125% and 141%, respectively, since December 31, 2015. The bonuses of the Named Executive Officers, except for the President and Chief Financial Officer of the Corporation, are tied to the returns on invested capital of the Operating Group for which they are directly responsible, rather than the returns on the capital of the Corporation as a whole.

Each employment agreement provides that the Named Executive Officer will not, during the period of his employment or for a period of at least one year thereafter, be involved in any business that develops or markets competitive software or consulting, maintenance, support or training services in any jurisdiction

where we market our products or services. The Named Executive Officer will not, without the prior written approval of the board of directors of his employer, employ any employee or consultant of CSI, in the case of the President and Chief Financial Officer, and, in the case of the other Named Executive Officers, of the applicable operating group each is responsible for, in each case for a period of at least 12 months after the termination of his employment. Each Named Executive Officer will not, during his employment or for a period of at least 12 months thereafter, contract or solicit any clients (including persons who become clients within six months of the termination of his employment) for the purposes of the selling or supplying software products or services competitive to those offered by the Corporation, in the case of the President and the Chief Financial Officer, and, in the case of the other Named Executive Officers, those offered by the applicable Operating Group he is responsible for. STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Our Board of Directors is responsible for developing our approach to corporate governance issues and is committed to ensuring that a healthy governance culture exists at the Corporation. The directors periodically review the size, composition and compensation of the Board of Directors, the effectiveness of the Board and its individual members, and appropriate committee structures, mandates, composition, membership and effectiveness. To the extent that a conflict of interest arises from time to time, a conflicted director is required to excuse himself or herself from the applicable portion of any meeting at which such matter is to be discussed or decided.

In accordance with National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101"), the Corporation is required to disclose on an annual basis its approach to corporate governance. The Corporation's approach to significant issues of corporate governance is designed to ensure that the business and affairs of the Corporation are effectively managed to enhance shareholder value. The Corporation's corporate governance practices have been and continue to be in compliance with applicable Canadian requirements. Where the Corporation does not comply with recommended guidelines, it believes non-compliance is justifiable and its reasoning is provided. The Board has approved the description of the Corporation's approach to corporate governance as outlined in Schedule "A" to this Circular. Corporate governance guidelines change from time to time. The Board monitors pending regulatory initiatives and developments in the corporate governance area and will address them as appropriate.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

As of March 25, 2021, no current or former directors, executive officers or employees of the Corporation, or any of its subsidiaries, has any indebtedness to the Corporation or any of its subsidiaries.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Since January 1, 2020, the only transaction involving informed persons of the Corporation was the spin-out of the Corporation's Total Specific Solutions Operating Group into a new publicly traded company, Topicus.com Inc., and the subsequent acquisition of Topicus B.V. (as defined below).

On January 4, 2021 (in anticipation of the acquisition of Topicus.com B.V. ("Topicus B.V.") described further below), the Corporation's subsidiary, Constellation Software Netherlands Holdings Cooperatief U.A. (the "Coop"), which principally held the Total Specific Solutions

Operating Group, completed a corporate reorganization. In conjunction with the reorganization, the following steps were completed:

- The Coop changed its name to Topicus.com Coöperatief U.A. (“Topicus Coop”).
- The Corporation exchanged its existing equity interest in Topicus Coop for an equity interest in Topicus.com Inc. and Topicus.com Inc. became the new parent company of Topicus Coop. The Corporation received 39,412,385 preferred shares and 39,412,385 subordinate voting shares of Topicus.com Inc. The preferred shares are convertible into subordinate voting shares of Topicus.com Inc. at a rate of 1:1.
- Topicus.com Inc. had 39,412,385 subordinate voting shares outstanding on January 4, 2021. The Corporation distributed 39,412,367 of the subordinate voting shares to its common shareholders pursuant to the dividend-in-kind and continues to hold 18 subordinate voting shares.
- The Corporation holds 1 super voting share of Topicus.com Inc. The super voting share entitles the holder to that number of votes that equals 50.1% of the aggregate number of votes attached to all the outstanding super voting shares and subordinate voting shares of Topicus.com Inc. As a result, the Corporation controls Topicus.com Inc. and will consolidate its financial position and results of operations with Topicus.com Inc. The Corporation will reflect a non-controlling interest held by other parties.

On May 20, 2020, the Corporation entered into a binding agreement, subject to certain closing conditions, with IJssel B.V. (the “Seller”) to purchase 100% of the shares of Topicus B.V., a Netherlands-based diversified vertical market software provider. On January 5, 2021, the Corporation completed this transaction. Annual gross revenues of Topicus B.V. for 2019 were approximately €101 million and total tangible assets at December 31, 2019 were approximately €7 million. In connection with the acquisition the Corporation paid cash of €133.6 million. Furthermore, Topicus Coop issued 5,842,882 preferred units of Topicus Coop to the Seller for an initial subscription price of €83.8 million plus an additional subscription amount of €27.589 million which will be owed by the Seller to Topicus Coop and payable to Topicus Coop under certain conditions. Topicus Coop also issued 5,842,882 ordinary units of Topicus Coop to the Seller. The aggregate estimated total consideration is €217.400 million. Under certain circumstances, the preferred units are retractable at the option of the holder for a retraction price of approximately €19.06 per unit and will be classified as a liability on the balance sheet of Topicus.com Inc. and the Corporation. The preferred units are also convertible into ordinary units of Topicus Coop at a conversion ratio of 1:1 and the ordinary units are exchangeable for Topicus.com Inc. subordinate voting shares at a conversion ratio of 1:1. The preferred unit holders will also be entitled to a fixed annual cumulative dividend of 5% per annum.

On January 5, 2021, parties to the existing members agreement (the “Members Agreement”) between the Corporation and the sellers of Total Specific Solutions (TSS) B.V. (“TSS”) along with certain members of TSS’ executive management team (collectively, the “Minority Owners” or the “Joday Group”) agreed to terminate such Members Agreement, and it was replaced by an Investor Rights and Governance Agreement (“IRGA”). The Minority Owners include Joday Investments II B.V., an entity controlled by Robin van Poelje (a director of the Corporation and the Chairman of the board of directors of Topicus.com Inc.) and Tjitske Strikwerda.

The IRGA contains special provisions between the Corporation and the Minority Owners, including put options and call options applicable to units of Topicus Coop that are held by the Minority Owners as of January 5, 2021 (and any units or shares into which such units or shares have been converted or exchanged). Commencing any time after January 5, 2021, each of the Minority Owners may (i) exercise a put option to sell all or a portion of their interests in Topicus Coop, (ii) in the event of a change of control of the Corporation, sell all or a portion of their interests

in Topicus Coop, and (iii) in the event the Corporation reduces its economic interest in Topicus.com Inc., sell the corresponding amount of their interests in Topicus Coop, in each case, to the Corporation for an amount calculated in accordance with a valuation methodology described in the IRGA. At any time after December 31, 2023, the Corporation has the right, at its option, to buy all of the Topicus Coop units and Topicus shares held by certain members of the Joday Group (excluding Joday Investments II B.V.) at a cash price per Topicus Coop unit determined in accordance with the IRGA. After December 31, 2043, the Corporation has the same right to buy all of the Topicus Coop units held by the remaining members of the Joday Group, including Joday Investments II B.V.. Similar to the Members Agreement, the main valuation driver in such calculation is the maintenance and other recurring revenue of Topicus Coop. This summary is qualified in its entirety by reference to the provisions of the IRGA, which is available at www.sedar.com on Topicus.com Inc.'s issuer profile.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

1. Appointment of Auditors

At the Meeting, shareholders will be requested to re-appoint KPMG LLP as auditors of the Corporation, to hold office until the next annual meeting of shareholders, and to authorize the Board of Directors to fix the auditors' remuneration. KPMG LLP have been the auditors of the Corporation since the fiscal year ended December 31, 1995.

Unless the shareholder directs that his or her Common Shares are to be withheld from voting in connection with the appointment of auditors, the persons named in the form of proxy intend to vote for the reappointment of KPMG LLP as auditors of the Corporation until the next annual meeting of shareholders and to authorize the directors to fix their remuneration.

2. Election of Directors

The number of directors to be elected at the Meeting is fifteen. Directors of the Corporation are elected annually and, unless re-elected, retire from office at the end of the next annual general meeting of shareholders.

Majority Director Election Policy

In 2009, the Board of Directors adopted a majority director election policy (the "Policy"). The Policy requires that the form of proxy for the vote at a shareholder meeting where directors are to be elected will provide for separate voting for each director nominee. The Policy requires that any nominee for director who receives a greater number of votes "withheld" than votes "for" his or her election must immediately resign from the Board following the shareholders meeting.

The Board of Directors will consider relevant circumstances surrounding a nominee's failure to obtain a majority vote and will, in the absence of compelling circumstances, accept the resignation as soon as appropriate, consistent with an orderly transition. The Board will disclose the decision, via press release, announcing the resignation of the director or explaining the reasons justifying the decision not to accept the resignation. It is expected any resignation will be accepted by the Board within 90 days of the meeting at which such director was found not to have the confidence of the shareholders. Subject to applicable law, if a resignation is accepted, the Board may (i) leave the vacancy unfilled until the next annual general meeting of shareholders; (ii) fill the vacancy through the appointment of a new director whom the Board considers to merit the confidence of shareholders; (iii) call a special meeting of shareholders at which there will be presented a management slate to fill the vacant position or positions; or (iv) reduce the size of the Board.

Unless the shareholder directs that his or her Common Shares be otherwise voted or withheld from voting in connection with the election of directors, the persons named in the form of proxy will vote for the election of the fifteen (15) nominees whose names are set forth below. Management does not contemplate that any of the nominees will be unable to serve as a director but if that should occur for any reason prior to the Meeting or any adjournment thereof, it is intended that discretionary authority shall be exercised by the persons named in the form of proxy to vote the proxy for the election of any other person or persons in place of any nominee or nominees unable to serve. Each director elected will hold office until the close of business of the first annual meeting of shareholders of the Corporation following his or her election unless his or

her office is earlier vacated in accordance with the Corporation’s by-laws, the Policy, and the *Business Corporations Act* (Ontario) (“OBCA”).

The following table sets out, for each person proposed to be nominated for election as a director, the person’s name, municipality of residence, position(s) with CSI, principal occupation, the year in which the person became a director, and the approximate number of (i) Common Shares of CSI, (ii) subordinate voting shares of Topicus.com Inc., a subsidiary of CSI and (iii) ordinary units of Topicus Coop, a subsidiary of CSI that each has advised are beneficially owned or subject to his or her control or direction, either directly or indirectly as of March 25, 2021.

The Board of Directors has appointed Stephen R. Scotchmer, an independent director, as a lead director. 3. Position Descriptions

There are no specific written position descriptions for the Chairman of the Board, the Chairs of the various Board Committees or the President. The Board and each Committee has a written mandate pursuant to which its members and Chairs can be assessed. The President's role and responsibilities are assessed periodically by the Board. The role of the Chairman of the Board is to set agendas, ensure that the Board functions effectively, act as a liaison between management and the Board, and coordinate the activities of the committees with the work of the Board. The role of the chair of each committee is to set agendas, ensure that the committee functions effectively and report to the Board on committee business.

4. Orientation and Continuing Education

While the Corporation does not have a formal orientation program for new members of the Board, the President and other members of senior management are and will continue to be available to Board members to discuss the Corporation's business and assist in the orientation and education of Board members as required. As part of the orientation process, new Board members are provided with copies of the Corporation's relevant financial data and have the opportunity to attend management meetings.

The Board does not formally provide continuing education to its directors; however, the directors are experienced members, the majority of whom are or have been directors on boards of other companies. The Board of Directors relies on professional assistance when considered necessary in order to be educated or updated on a particular topic.

5. Ethical Business Conduct

The Corporation has not adopted a written code of conduct and ethics. The Board's mandate requires that business be conducted ethically and in compliance with applicable laws and regulations. In addition, most employees and officers of the Corporation have signed employment contracts that require that ethical and lawful behaviour must be exhibited at all times. In addition, most of the subsidiaries of the Corporation have codes of conduct in place and available to their employees which further outline what behaviour is/is not tolerated. Lastly, the Corporation has established a whistleblower policy which outlines the procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting control or auditing matters as well as other issues.

Under the OBCA, to which the Corporation is subject, a director or officer of the Corporation must disclose to the Corporation, the nature and extent of any interest that he or she has in a material contract or material transaction, whether made or proposed, with the Corporation, if the director or officer: (a) is a party to the contract or transaction; (b) is a director or an officer, or an individual acting in a similar capacity, of a party to the contract or transaction; or (c) has a material interest in a party to the contract or transaction. Subject to limited exceptions set out in the OBCA, the director cannot vote on any resolution to approve the contract or transaction and must

recuse himself or herself from the decision-making process pertaining to a contract or transaction in which he or she has an interest.

6. Nomination of Directors

The Board of Directors has delegated to the CNHR Committee the responsibility for identifying new candidates for Board nomination and proposing such nominees to the Board. Board members or management may suggest candidates for consideration by the Committee. Prospective candidates are interviewed by the President and by other Board members on an *ad hoc* basis.

All of the members of the CNHR Committee are independent according to the definition of “independence” set out in NI 58-101. The powers and responsibilities of the CNHR Committee are set out in the CNHR Committee’s written mandate, a copy of which is attached as Annex II hereto.

7. Compensation

The Board periodically reviews the remuneration of directors and makes adjustments where considered necessary. The CNHR Committee considers responsibilities, skills and competitive compensation in determining remuneration. With respect to the compensation of the Corporation’s officers, see “Compensation Discussion and Analysis” above.

The Board of Directors has established the CNHR Committee whose primary role and responsibility concerns human resources and compensation policies and processes, including:

- Ensuring that the Corporation’s compensation programs balance the needs of shareholders and employees;
- Reviewing and approving total remuneration of the President and other senior executives and the total allowance for increases to other employees;
- Monitoring the Corporation’s succession plans; and
- As required, recommending candidates for the Corporation’s Board of Directors.

The following sets out the relevant education and experience of each director relevant to the performance of his duties as a member of the CNHR Committee:

Mr. Scotchmer has been a director and/or officer of both private and public companies, and has served on the compensation committee of several companies.

Mr. Kittel is the Chief Operating Officer of The Westaim Corporation since January 2013. He also served as a director on several public boards, both in Canada and the United States. Mr. Kittel holds a BBA Honours (Gold Medalist) from Wilfrid Laurier University and is a Chartered Professional Accountant and a Chartered Financial Analyst.

Corporate objectives are established periodically by the Board of Directors. Executive performance is assessed at least annually by the CNHR Committee against those objectives. No compensation consultant or advisor was retained by the Corporation during the fiscal year ended December 31, 2020.

8. Other Board Committees

Other than the Audit Committee and CNHR Committee, the Board does not have any other committees in place.

9. Assessments

Each Committee reviews and assesses the adequacy of its Committee mandate on a periodic basis and recommends any proposed changes to the Board for approval. The Board in conjunction with the President periodically reviews and assesses the effectiveness of the Board as a whole, the membership of the Board committees, the mandates and activities of each committee and the contribution of individual directors. Feedback is obtained from members of the Board and the various Committees on an informal basis, which the Board believes is sufficient to address any changes that may be necessary or desirable.

10. Term Limits

CSI does not have term limits for directors. While there is benefit to adding new perspectives to the Board from time to time, there are also benefits to be achieved by continuity and directors having in-depth knowledge of CSI's businesses. CSI's Board believes that the key to effective leadership is to choose directors and officers that, having regard to a wide array of factors, possess the range of necessary skills, experience, commitment and qualifications that are best suited to fostering effective leadership and decision-making at the Corporation.

11. Representation of Women on the Board and in Executive Officer Positions

CSI currently has three female directors (20% of total), Lori O'Neill, Donna Parr and Susan Gayner, on the Board and no women (0%) in executive officer (as defined in National Instrument 58-101) positions. CSI does not have a formal written policy on the representation of women on the Board or in senior management and has not adopted any targets with respect to such representation, as the Board does not believe that quotas or strict rules result in the identification or selection of the best candidates. The CNHR Committee will, as required, recommend candidates for the Board of Directors, based on, among other things, their wisdom, long-term orientation, shareholder alignment, belief in the motivational power of autonomy and decentralisation, experience with successful capital allocation, diversity, age, and track record of exercising sound judgment.
