## 1. Reporting entity

Constellation Software Inc. is a company domiciled in Canada. The address of Constellation Software Inc.'s registered office is 20 Adelaide Street East, Suite 1200, Toronto, Ontario, Canada. The condensed consolidated interim financial statements of Constellation Software Inc. as at and for the three and nine month period ended September 30, 2023 comprise Constellation Software Inc. and its subsidiaries (together referred to as "Constellation", "CSI", or the "Company") and the Company's interest in associates. The Company is engaged principally in the development, installation and customization of software as well as in the provisioning of related professional services and support for customers globally across over 100 diverse markets.

On February 22 and 23, 2023 (as part of a series of transactions relating to the acquisition of WideOrbit Inc. ("WideOrbit") described further in note 4), the Company's subsidiary, Lumine Group Inc. ("Lumine"), completed a corporate reorganization. After the reorganization was completed, the Company now owns 1 super voting share, 6 subordinate voting shares and 63,582,712 preferred shares of Lumine. Furthermore, the Company distributed 63,582,706 of the subordinate voting shares of Lumine to its common shareholders pursuant to a dividend-in-kind on February 23, 2023. The steps performed in conjunction with the reorganization consisted of the following:

- The Company exchanged its existing common shares and preferred shares in Lumine Group (Holdings) Inc. ("Lumine Group Holdings") for 63,582,712 subordinate voting shares ("Lumine Subordinate Voting Shares") and 55,233,745 preferred shares ("Lumine Preferred Shares") on February 22, 2023.
- Lumine and Lumine Group Holdings amalgamated on February 22, 2023.
- The Company subscribed for 8,348,967 Lumine Preferred Shares on February 22, 2023. The Lumine Preferred Shares are convertible into Lumine Subordinate Voting Shares at a rate of 1:2.4302106.
- Lumine had 63,582,712 Lumine Subordinate Voting shares outstanding on February 22, 2023. The Company distributed 63,582,706 of the Lumine Subordinate Voting Shares to its common shareholders pursuant to a dividend-in-kind on February 23, 2023 and continues to hold 6 Lumine Subordinate Voting Shares.

The Company holds 1 super voting share of Lumine (the "Lumine Super Voting Share"). The Lumine Super Voting Share entitles CSI to that number of votes that equals 50.1% of the aggregate number of votes attached to all the outstanding Lumine Super Voting Shares, Lumine Subordinate Voting Shares and special shares of Lumine (the "Lumine Special Shares"). As a result, the Company controls Lumine and has consolidated Lumine's financial position and results of operations. The Company reflects a non-controlling interest held by other parties in Lumine of 100% as of September 30, 2023 (December 31, 2022 – 0%).

### Preferred Share Investment in Lumine

As noted above, the Company owns 63,582,712 Lumine Preferred Shares. The Lumine Preferred Shares are non-voting and under certain conditions are redeemable at the option of CSI for a redemption price of \$21.74 (the "Initial Face Value") per share. The redemption price may either be settled in cash or through the issuance of a variable number of Lumine Subordinate Voting Shares based on the terms of the Lumine Preferred Shares, or any combination thereof. The Lumine Preferred Shares are also convertible into Lumine Subordinate Voting Shares at a conversion ratio of 1:2.4302106 at any time. The Lumine Preferred Shares entitle CSI to a fixed annual cumulative dividend of 5% per annum on the Initial Face Value.

Further descriptions of the significant terms and conditions of the Lumine Preferred Shares are described below. The terms and conditions of the Lumine Preferred Shares should be read in conjunction with the terms and conditions of the Lumine Special Shares as outlined in note 9.

## *Conversion*

CSI is entitled to convert some or all of its Lumine Preferred Shares into Lumine Subordinate Voting Shares on the basis of 2.4302106 Lumine Subordinate Voting Shares per Lumine Preferred Share, at any time (the “Lumine Preferred Share Conversion Right”).

Upon the exercise of the Lumine Preferred Share Conversion Right, CSI will be entitled to receive all accrued but unpaid dividends accruing on the Lumine Preferred Shares to the day before the conversion date. Pursuant to the terms of the shareholders agreement entered into by Lumine, CSI, Trapeze Software ULC and the holders of the Lumine Special Shares (the “Lumine Shareholders Agreement”), the board of directors of Lumine will make a determination as to whether Lumine has sufficient cash on hand to satisfy the payment of any accrued but unpaid dividends on the Lumine Preferred Shares in cash. If the board of directors of Lumine determines that Lumine does not have sufficient cash on hand, the accrued but unpaid dividends will, subject to TSX Venture Exchange (“TSXV”) approval, be satisfied by the issuance of Lumine Subordinate Voting Shares of equal value.

## *Redemption at the Option of CSI*

At any time prior to the Mandatory Conversion Date (as defined below), upon thirty (30) days notice to Lumine, the holders of the Lumine Preferred Shares will have the right (but not the obligation) to sell some or all of their Lumine Preferred Shares (the “Lumine Preferred Share Retraction Right”) back to Lumine. Upon exercise of the Lumine Preferred Share Retraction Right, the holders of the Lumine Preferred Shares will be entitled to receive an amount of cash equal to the Initial Face Value for each Lumine Preferred Share in respect of which the Lumine Preferred Share Retraction Right has been exercised, or Lumine Subordinate Voting Shares of equal value, or any combination thereof, in each case at the option of the holder of the Lumine Preferred Shares. Notwithstanding the foregoing, if the board of directors of Lumine determines that Lumine does not have sufficient cash on hand to make the payment in cash, the holders of Lumine Preferred Shares will, subject to TSXV approval, receive Lumine Subordinate Voting Shares on the terms described above.

## *Redemption at the Option of Lumine*

Subject to the terms of the Lumine Shareholders Agreement, upon the later of (the “Mandatory Conversion Date”) the date which occurs 12-months after the date the trading of the Lumine Subordinate Voting Shares commences on the TSXV, and 10 business days after the first date on which the closing trading price of the Lumine Subordinate Voting Shares is equal to or greater than C\$13.243656, Lumine will redeem the Lumine Preferred Shares in exchange for the issuance of 2.4302106 Lumine Subordinate Voting Shares for each Lumine Preferred Share redeemed (the “Lumine Preferred Share Mandatory Conversion”). Notwithstanding the foregoing, if holders representing at least 95% of the Lumine Preferred Shares and Lumine Special Shares approve, each holder of Lumine Preferred Shares and Lumine Special Shares will have the option to take the amount equal to the value of the Lumine Subordinate Voting Shares such holder would have otherwise received in connection with the Lumine Preferred Share Mandatory Conversion, determined on the basis of the 60 day volume weighted average trading price of the Lumine Subordinate Voting Shares, in cash. Upon the Lumine Mandatory Conversion (as defined below), the holders of the Lumine Preferred Shares and the Lumine Special Shares will also be entitled to receive all accrued but unpaid dividends accruing to the day before the redemption date. Pursuant to the terms of the Lumine Shareholders Agreement, the board of directors of Lumine will make a determination as to whether Lumine has sufficient cash on hand to satisfy the payment of any accrued but unpaid dividends on the Lumine Preferred Shares in cash. If the board of directors of Lumine determines that Lumine does not have sufficient cash on hand, the accrued but unpaid dividends will, subject to TSXV approval, be satisfied by the issuance of Lumine Subordinate Voting Shares of equal value.

These condensed consolidated interim financial statements should be read in conjunction with the Company's 2022 annual consolidated financial statements.

### (b) Basis of measurement

The condensed consolidated interim financial statements have been prepared on the historical cost basis except for certain assets and liabilities initially recognized in connection with business combinations, derivative financial instruments, redeemable preferred securities, and contingent consideration related to business acquisitions, which are measured at their estimated fair value.

### (c) Functional and presentation of currency

The condensed consolidated interim financial statements are presented in U.S. dollars, which is Constellation's functional currency.

### (d) Use of estimates and judgements

The preparation of the condensed consolidated interim financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses, consistent with those disclosed in the 2022 annual consolidated financial statements and described in these condensed consolidated interim financial statements. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Estimates are based on historical experience and other assumptions that are considered reasonable in the circumstances. The actual amount or values may vary in certain instances from the assumptions and estimates made. Changes will be recorded, with corresponding effect in profit or loss, when, and if, better information is obtained.

## 3. Material accounting policies

Unless otherwise noted in the condensed consolidated interim financial statements, the material accounting policies used in preparing these condensed consolidated interim financial statements are unchanged from those disclosed

## 4. Business acquisitions

(a) On February 22, 2023, the Company completed the acquisition of 100% of the shares of WideOrbit Inc. ("WideOrbit") The Company paid cash of \$273 plus an estimated cash holdback payable of \$10. The Company (through Lumine) also issued 10,204,294 Lumine Special Shares to the seller for an initial subscription price of \$222. The total consideration resulting from acquisition of WideOrbit is \$505. During the three months ended June 30, 2023, the purchase consideration was finalized for customary adjustments related to net indebtedness and transaction costs, resulting in a final holdback paid of \$9 and resulting total consideration of \$504.

WideOrbit is a software business that primarily operates in the advertising market for cable networks, local television stations and radio stations. The acquisition has been accounted for using the acquisition method with the results of operations included in the condensed consolidated interim financial statements for the nine months ended September 30, 2023 from the date of the acquisition.

The goodwill recognized in connection with this acquisition is primarily attributable to the application of the Company's best practices to improve the operations of the companies acquired, synergies with existing businesses of the Company, and other intangible assets that do not qualify for separate recognition including assembled workforce. Goodwill in the amount of \$3 is expected to be deductible for income tax purposes.

The gross contractual amounts of acquired receivables was \$21; however, the Company has recorded an allowance of \$0 as part of the acquisition accounting to reflect contractual cash flows that are not expected to be collected.

Due to the complexity of the acquisition, the Company is in the process of determining and finalizing the estimated fair value of the net assets acquired as part of the WideOrbit acquisition. The amounts determined on a provisional basis generally relate to net asset assessments and measurement of the assumed liabilities. The provisional purchase price allocations may differ from the final purchase price allocations, and these differences may be material. Revisions to the allocations will occur as additional information about the fair value of assets and liabilities becomes available.

The impact of acquisition accounting applied on a provisional basis in connection with the acquisition of WideOrbit is as follows:

If this acquisition had occurred on January 1, 2023, the Company estimates that pro-forma consolidated revenue and pro-forma consolidated net income (loss) would have been \$6,109 and \$112 compared to the actual amounts reported in the condensed consolidated interim statement of income (loss) for the actual period for the nine months ended September 30, 2023.

businesses of the Company, and other intangible assets that do not qualify for separate recognition including assembled workforce. Goodwill in the amount of \$235 is expected to be deductible for income tax purposes.

The gross contractual amounts of acquired receivables for Optimal Blue was \$20; however, the Company has recorded an allowance of \$1 as part of the acquisition accounting to reflect contractual cash flows that are not expected to be collected.

Due to the complexity and timing of this acquisition, the Company is in the process of determining and finalizing the estimated fair value of the net assets acquired. The amounts determined on a provisional basis generally relate to net asset assessments and measurement of the assumed liabilities. The provisional purchase price allocations may differ from the final purchase price allocations, and these differences may be material. revenue and pro-forma consolidated net income (loss) would have been \$6,217 and \$131 compared to the actual amounts reported in the condensed consolidated interim statement of income (loss) for the actual period for the nine months ended September 30, 2023.

(c) During the nine-month period ended September 30, 2023, the Company completed a number of additional acquisitions for aggregate cash consideration of \$759 plus expected cash holdbacks payables of \$130 and contingent consideration with an estimated acquisition date fair value of \$51. The total consideration resulting from the additional acquisitions in the nine-month period ended September 30, 2023 was \$941. The contingent consideration is payable on the achievement of certain financial targets in the post-acquisition periods. The obligation for contingent consideration for acquisitions during the nine-month period ended September 30, 2023 has been recorded at its estimated fair value at the various acquisition dates. The estimated fair value of the applicable contingent consideration is calculated using the estimated financial outcome and resulting expected contingent consideration to be paid and inclusion of a discount rate as appropriate. For these arrangements, which include both maximum, or capped, and unlimited contingent consideration amounts, the estimated increase to the initial consideration is not expected to exceed \$117. Aggregate contingent consideration of \$187 (December 31, 2022 - \$157) has been reported in the condensed consolidated interim statement of financial position at its estimated fair value relating to applicable acquisitions completed in the current and prior periods. Changes made to the estimated fair value of contingent consideration are included in other, net in the condensed consolidated interim statements of income (loss). An expense of \$3 and income of \$8 has been recorded for the three and nine months ended September 30, 2023, as a result of such changes (expense of \$33 and \$45 for the three and nine months ended September 30, 2022).

Other than WideOrbit and Optimal Blue, no other acquisitions were deemed to be individually significant. The majority of the businesses acquired during the period were acquisitions of shares and the remainder were asset acquisitions. The cash holdbacks are generally payable over a two-year period and are adjusted, as necessary, for such items as working capital or net tangible asset assessments, as defined in the agreements, and claims under the respective representations and warranties of the purchase and sale agreements.

The additional acquisitions during the nine-month period ended September 30, 2023 include software companies catering to the following markets: financial services, mining, education, insurance, construction, forestry, metals, transit, product development, field service, legal, daycare, telecommunications, hospitality, accounting, publishing, local government, public safety, oil and gas, human capital, utilities, restaurant and retail, e-invoicing, IT services and consulting, quality management, metals, data processing, real estate brokers and agents, delivery, convenience store distribution, aviation, travel, mortgage, and healthcare all of which are software businesses similar to existing businesses operated by the Company. The acquisitions have been accounted for using the acquisition method with the results of operations included in these condensed consolidated interim financial statements from the date of each acquisition.

The goodwill recognized in connection with these acquisitions is primarily attributable to the application of Constellation's best practices to improve the operations of the companies acquired, synergies with existing businesses of Constellation, and other intangible assets that do not qualify for separate recognition including assembled workforce. Goodwill in the amount of \$10 is expected to be deductible for income tax purposes.

The gross contractual amounts of acquired receivables was \$120; however, the Company has recorded an allowance of \$6 as part of the acquisition accounting to reflect contractual cash flows that are not expected to be collected.

Due to the complexity and timing of certain acquisitions made, the Company is in the process of determining and finalizing the estimated fair value of the net assets acquired as part of the acquisitions closed during 2023 and the

The provisional purchase price allocations may differ from the final purchase price allocations, and these differences may be material. ### CSI Facility

On November 5, 2021, Constellation completed an amendment and restatement of its revolving credit facility agreement (the “CSI Facility”), with a syndicate of Canadian chartered banks and U.S. banks in the amount of \$700, extending its maturity date to November 2026. In March 2023, the total amount on the revolver was increased from \$700 to \$840. The CSI Facility bears a variable interest rate with no fixed repayments required over the term to maturity. Interest rates are calculated at standard U.S. and Canadian reference rates plus interest rate spreads based on a leverage table. The CSI Facility is collateralized by the majority of the Company’s assets including the assets of certain material subsidiaries. The CSI Facility contains standard events of default which if not remedied within a cure period would trigger the repayment of any outstanding balance. As at September 30, 2023, \$686 (December 31, 2022 – \$322) had been drawn from this credit facility, and letters of credit totaling \$12 (December 31, 2022 - \$12) were issued, which limits the borrowing capacity on a dollar-for-dollar basis. Transaction costs associated with the CSI Facility are being amortized through profit or loss using the effective interest rate method. As at September 30, 2023, the carrying amount of such costs is \$1 (December 31, 2022 - \$1).

### Liability of CSI under the terms of the IRGA/TSS Members Agreement

On December 23, 2014, in accordance with the terms of the purchase and sale agreement for the initial acquisition of Total Specific Solutions (“TSS”) by CSI, and on the basis of the term sheets attached thereto, Constellation and the Joday Group, among others, entered into a Members Agreement (the “TSS Members Agreement”) pursuant to which the Joday Group acquired 33.29% of the voting interests in Constellation Software Netherlands Holding Coöperatief U.A. (which was renamed to Topicus.com Coöperatief U.A., (“Topicus Coop)), a subsidiary of Constellation and the indirect owner of 100% of TSS at the time of the acquisition. Total proceeds from this transaction was EUR 39.

On January 5, 2021, the TSS Members Agreement was terminated in conjunction with the acquisition of Topicus.com B.V., the reorganization of Topicus Coop and the execution of the Investors Rights and Governance Agreement (“IRGA”). The IRGA was established to create certain contractual obligations of the parties in respect of the governance of Topicus and Topicus Coop. The Joday Group’s interest in Topicus Coop comprises 39,331,284 Topicus Coop Ordinary Units resulting in an interest of 30.29% in Topicus Coop. The IRGA provides for transfer restrictions in respect of the Topicus Coop Units.

Any time after January 5, 2021, any member of the Joday Group has the right, at their option, to sell any number of its Topicus Coop Units to CSI at a cash price per Topicus Coop Unit determined in accordance with the IRGA. Upon

the exercise of such option by a member of the Joday Group, CSI will be obligated to purchase 33.33% of such Topicus Coop Units within 30 days, and an additional 33.33% on each of the first and the second anniversary of such initial purchase. Notwithstanding the foregoing, CSI can offer Topicus the right to purchase such Topicus Coop Units in lieu of CSI.

In the event of a change of control of CSI, any member of the Joday Group has the right, at their option, to sell all of its Topicus Coop Units to CSI at a cash price per Topicus Coop Unit determined in accordance with the IRGA. Upon the exercise of such option by a member of the Joday Group, CSI will be obligated to purchase all such Topicus Coop Units. Notwithstanding the foregoing, CSI can offer Topicus the right to purchase such Topicus Coop Units in lieu of CSI.

If CSI reduces its economic interest in Topicus by a sale or transfer of its economic interest (and not due to any additional issuance of any shares or equity by Topicus) by more than one-third (calculated on a fully converted basis in accordance with the IRGA), any member of the Joday Group has the right, at their option, to sell to CSI one-third of its Topicus Coop Units at a cash price per Topicus Coop Unit determined in accordance with the IRGA. Upon the exercise of such put option by a member of the Joday Group, CSI will be obligated to purchase all such put Topicus Coop Units. Notwithstanding the foregoing, CSI can offer Topicus the right to purchase such Topicus Coop Units in lieu of CSI. Any member of the Joday Group has a similar right to sell one-half or all of its remaining Topicus Coop Units, respectively, at its option, if CSI further reduces its remaining fully-diluted economic interest in Topicus by a sale or transfer of its economic interest by one-half and again if CSI sells its entire remaining economic interest in Topicus.

All of the Topicus Coop Ordinary Units held by the Joday Group and Ijssel B.V. (collectively, the "Topicus Coop Exchangeable Units") are exchangeable, directly or indirectly, for Topicus Subordinate Voting Shares. All of the above rights of members of the Joday Group apply to any Topicus Subordinate Voting Shares issued on an exchange of Topicus Coop Exchangeable Units.

At any time after December 31, 2023, CSI has the right, at its option, to buy all of the Topicus Coop Units and shares of Topicus held by certain members of the Joday Group (excluding Joday) at a cash price per Topicus Coop Unit (or share of Topicus, as applicable) determined in accordance with the IRGA. After December 31, 2043, CSI has the same right to buy all of the Topicus Coop Units and shares of Topicus held by the remaining members of the Joday Group, including Joday.

In addition, if certain individuals affiliated with Joday are terminated from their employment with Topicus Coop or an affiliate thereof for urgent cause (as defined in the Dutch Civil Code), CSI has the right, at its option, to buy all of Topicus Coop Units held by such individuals at a cash price per Topicus Coop Unit determined in accordance with the IRGA.

The Company has continued to classify the above obligations of CSI under the terms of the IRGA as a liability. The main valuation driver in such calculation is the maintenance and other recurring revenue of Topicus. Maintenance and recurring revenue of Topicus for the trailing twelve months on a pro-forma basis determined at the end of the current reporting period was used as the basis for valuing the interests at each redemption date. Any increase or decrease in the value of such liability is recorded as an expense or income in the condensed consolidated interim statements of income (loss) for the period.

During the periods ended September 30, 2023 and December 31, 2022, no options were exercised. During the year December 31, 2022, a distribution in the amount of \$23 was paid to the Joday Group.

- March 31, 2022 but excluding March 31, 2023 was 9.9%
- March 31, 2023 but excluding March 31, 2024 is 13.3%

Subsequent from and including March 31, 2024 to but excluding the Maturity Date, the interest rate applicable to the Debentures will be reset on an annual basis on March 31 of each year, at a rate equal to the annual average percentage change in the All-items Consumer Price Index during the 12-month period ending on December 31 in the prior year (which amount may be positive or negative) plus 6.5%. Notwithstanding the foregoing, the interest rate applicable to the debentures will not be less than 0%. The Company may, subject to certain approvals, elect the Payment in Kind election (“PIK Election”), in lieu of paying interest in cash, to satisfy all or any portion of its interest obligation payable on an interest payment date by issuing to each Debenture holder PIK Debentures equal to the amount of the interest obligation to be satisfied. The PIK Debentures will have the same terms and conditions as the Debentures and will form part of the principal amount of the Debentures. If, on any interest payment date, the Company fails to pay the amount of interest owing on the Debentures in full in cash, the Company will not (A) declare or pay dividends of any kind on the Common Shares, nor (B) participate in any share buyback or redemption involving the Common Shares, until the date on which the Company pays such interest (or the unpaid portion thereof) in cash to holders of the Debentures; however, where the Company has issued PIK Debentures in respect of all or a portion of the amount of interest owing on the Debentures on an interest payment date, the Company may resume declaring or paying dividends of any kind on the Common Shares and participating in any share buyback or redemption involving the Common Shares beginning on the next earlier of (i) the interest payment date of which the Company pays the amount of interest owing on the Debentures in full in cash and (ii) the date on which the Company repays all amounts owing under the PIK Debenture. All payments in respect of the Debentures will be subordinated in right of payment to the prior payment in full of all senior indebtedness of the Company.

The Debentures will be redeemable in certain circumstances at the option of the Company or the holder. During the period beginning on March 16 and ending on March 31 of each year, the Company will have the right, at its option, to give notice to holders of Debentures of its intention to redeem the Debentures, in whole or in part, on March 31 in the year that is five years following the year in which notice is given, at a price equal to the principal amount thereof plus accrued and unpaid interest up to but excluding the date fixed for redemption. During the period beginning on March 1 and ending on March 15 of each year, holders of Debentures will also have the right, at their option, to give notice to the Company of their intention to require the Company to repurchase (or to “put”) the Debentures, in whole or in part, on March 31 in the year that is five years following the year in which notice is given, at a price equal to the principal amount thereof plus accrued and unpaid interest up to but excluding the date fixed for repurchase.

## *Term Loan*

One of CSI's subsidiaries has entered into a GBP 65 term debt facility with a financial institution for which CSI has guaranteed the debt. The facility bears a fixed rate of interest. The term loan contains events of default that, if not remedied, allow the loan note holder to require repayment of the loan principal and interest. The loan is due in 2028.

## **8. Debt without recourse to CSI**

Certain of CSI's subsidiaries have entered into term debt facilities and revolving credit facilities with various financial institutions. CSI does not guarantee the debt of these subsidiaries, nor are there any cross-guarantees between subsidiaries. The credit facilities are collateralized by substantially all of the assets of the borrowing entity and its subsidiaries. The credit facilities typically bear interest at a rate calculated using an interest rate index plus a margin. The financing arrangements for each subsidiary typically contain certain restrictive covenants, which may include limitations or prohibitions on additional indebtedness, payment of cash dividends, redemption of capital, capital spending, making of acquisitions and sales of assets. In addition, certain financial covenants must be met by those subsidiaries that have outstanding debt.

In conjunction with the acquisition of Optimal Blue, the Company entered into a promissory note agreement ("Promissory Note") with ICE for \$500. The Promissory Note accrues interest at a rate of 7% per annum, is compounded annually and is payable in arrears. The first cash interest and principal payment under the Promissory Note is due on the day prior to the fifth anniversary and thereafter interest and principal payments will be due annually on the subsequent anniversaries of that date. The Promissory Note matures in 2063, subject to earlier optional prepayment.

During 2022, the Company was in technical default of a covenant associated with one Term loan in its subsidiaries which was unresolved as of March 31, 2023. The aggregate value of the loan at March 31, 2023 was \$7 and this loan was repaid during the three months ended June 30, 2023.

Debt without recourse to CSI comprises the following:

	Topicus Revolving Credit Facility	Debt Facilities	Promissory Note	Total
Principal outstanding at September 30, 2023 (and equal to fair value)	180 \$	840 \$	500	1,520
Deduct: Carrying value of transaction costs included in debt balance	(3)	(8)	-	(10)

Current portion	177	58	-	235

## 9. Redeemable preferred securities

In conjunction with the acquisition of WideOrbit, Lumine issued 10,204,294 Lumine Special Shares to the sellers of WideOrbit for an initial subscription price of approximately \$222 which was included in the purchase consideration. Under certain conditions, the Lumine Special Shares are retractable at the option of the holder for a retraction price of the Initial Face Value per Lumine Special Share plus one Lumine Subordinate Voting share for each Lumine Special Share held and has been classified as a liability on the balance sheet of the Company. The Lumine Special Shares are also convertible into Lumine Subordinate Voting shares at a conversion ratio of 1:3.4302106 at any time. The holders of the Lumine Special Shares are also entitled to a fixed annual cumulative dividend of 5% per annum.

The fair value of the Lumine Special Shares owned by the sellers of WideOrbit at issuance was \$222 and has been classified as a liability. The Company has determined that the conversion option associated with the Lumine Special Shares does not result in a fixed amount of cash being exchanged for a fixed amount of units (i.e. the conversion option does not meet the "fixed for fixed" requirement). As a result, the Lumine Special Shares have been recorded at fair value at the end of each reporting period. The change in fair value of the Lumine Special Shares is recorded as a redeemable preferred securities expense (income) in the condensed consolidated interim statements of income (loss).

Further descriptions of the significant terms and conditions of the Lumine Special Shares are described below. The terms and conditions of the Lumine Special Shares should be read in conjunction with the terms and conditions of the Lumine Preferred Shares held by CSI (note 1).

## *Dividends*

Holders of the Lumine Special Shares are entitled to receive fixed preferential cumulative dividends at the rate of 5% per annum on the Initial Face Value. No dividend will at any time be declared or paid on the Lumine Subordinate Voting Shares or the Lumine Super Voting Share, or on any other shares ranking junior to the Special Shares, unless and until the accrued preferential cumulative dividends on all of the Lumine Preferred Shares and Lumine Special Shares outstanding have been declared and paid. In addition, no dividends will be paid on the Lumine Subordinate Voting Shares or the Lumine Super Voting Share for an amount that would cause Lumine to not have sufficient net assets to effect the redemption of the Lumine Preferred Shares and Lumine Special Shares on a Mandatory Conversion (as defined below). In addition to the foregoing, the holders of the Lumine Special Shares are entitled to receive dividends on a pari passu, share for share, basis at such times and in such amounts as Lumine's board of directors may from time to time determine to declare dividends on the Lumine Subordinate Voting Shares, without preference or distinction between the Lumine Subordinate Voting Shares and the Lumine Special Shares, subject to the foregoing preferential rights of the holders of the Lumine Preferred Shares and the Lumine Special Shares.

## *Conversion*

Holders of the Lumine Special Shares are entitled to convert some or all of their Lumine Special Shares into Lumine Subordinate Voting Shares on the basis of 3.4302106 Lumine Subordinate Voting Shares per Lumine Special Share, at any time (the "Lumine Special Share Conversion Right").

Upon the exercise of the Lumine Special Share Conversion Right, the holders of the Lumine Special Shares, will be entitled to receive all accrued but unpaid dividends accruing to the day before the conversion date. Pursuant to the terms of the Lumine Shareholders Agreement, the board of directors of Lumine will make a determination as to whether Lumine has sufficient cash on hand to satisfy the payment of any accrued but unpaid dividends on the Special Shares, as applicable, in cash. If the board of directors of Lumine determines that Lumine does not have sufficient cash on hand to make the applicable payments, the accrued but unpaid dividends will, subject to TSXV approval, be satisfied by the issuance of Lumine Subordinate Voting Shares of equal value.

## *Redemption at the Option of the Holder*

At any time prior to the Mandatory Conversion Date, upon thirty (30) days notice to Lumine, the holders of the Lumine Special Shares will have the right (but not the obligation) to sell some or all of their Lumine Special Shares (the "Lumine Special Share Retraction Right"), provided that the exercise of the Lumine Special Share Retraction Right (including the manner of exercise) must first be approved by the holders of a majority of the Lumine Special Shares, in their sole discretion. Upon exercise of the Lumine Special Share Retraction Right, the holders of the Lumine Special Shares will be entitled to receive (i) one Lumine Subordinate Voting Share for each Lumine Special Share in respect of which the Lumine Special Share Retraction Right has been exercised, and (ii) an amount of cash equal to the Initial Face Value for each Lumine Special Share in respect of which the Lumine Special Share Retraction Right has been exercised, or Lumine Subordinate Voting Shares of equal value, or any combination thereof, in each case at the option of the holder of the Lumine Special Shares. Notwithstanding the foregoing, if the board of directors of Lumine determines that Lumine does not have sufficient cash on hand to make the payment

in cash, the holders of Lumine Special Shares will, subject to TSXV approval, receive Lumine Subordinate Voting Shares on the terms described above.

Upon the exercise of the Lumine Special Share Retraction Right, the holders of the Lumine Special Shares will also be entitled to receive all accrued but unpaid dividends accruing on the Lumine Special Shares in respect of which the Lumine Special Share Retraction Right has been exercised, to the day before the redemption date. The board of directors of Lumine will make a determination as to whether Lumine has sufficient cash on hand to satisfy the payment of any accrued but unpaid dividends on the Lumine Special Shares in cash. If the board of directors of Lumine determines that Lumine does not have sufficient cash on hand to make the applicable payments, the accrued but unpaid dividends will, subject to TSXV approval, be satisfied by the issuance of Lumine Subordinate Voting Shares of equal value.

## *Redemption at the Option of Lumine*

Subject to the terms of the Lumine Shareholders Agreement, upon the Mandatory Conversion Date, Lumine will redeem the Lumine Special Shares in exchange for the issuance of 3.4302106 Lumine Subordinate Voting Shares for each Lumine Special Share redeemed (the “Lumine Special Share Mandatory Conversion” and, together with the Lumine Preferred Share Mandatory Conversion, the “Lumine Mandatory Conversion”). Notwithstanding the foregoing, if holders representing at least 95% of the Lumine Preferred Shares and Lumine Special Shares approve, each holder of Lumine Preferred Shares and Lumine Special Shares will have the option to take the amount equal to the value of the Lumine Subordinate Voting Shares such holder would have otherwise received in connection with the Lumine Mandatory Conversion, determined on the basis of the 60 day volume weighted average trading price of the Lumine Subordinate Voting Shares, in cash.

Upon the Lumine Mandatory Conversion, the holders of the Lumine Special Shares will also be entitled to receive all accrued but unpaid dividends accruing to the day before the redemption date. Pursuant to the terms of the Lumine Shareholders Agreement, the board of directors of Lumine will make a determination as to whether Lumine has sufficient cash on hand to satisfy the payment of any accrued but unpaid dividends on the Lumine Special Shares in cash. If the board of directors of the Lumine determines that Lumine does not have sufficient cash on hand, the accrued but unpaid dividends will, subject to TSXV approval, be satisfied by the issuance of Lumine Subordinate Voting Shares of equal value.

As of March 24, 2023, the closing trading price of the Lumine Subordinate Voting Shares was greater than C\$13.243656. As such, the Mandatory Conversion Date for the Lumine Special Shares will be March 25, 2024.

## 11. Income taxes

Income tax expense is recognized based on management's best estimate of the actual income tax rate for the interim period applied to the pre-tax income of the interim period for each entity in the consolidated group. As a result of foreign exchange fluctuations, acquisitions and ongoing changes due to intercompany transactions amongst entities operating in different jurisdictions, the Company has determined that a reasonable estimate of a weighted average annual tax rate cannot be determined on a consolidated basis. The Company's consolidated effective tax rate in respect of continuing operations for the three and nine months ended September 30, 2023 was 28% and 59% (26% and 26% for the three and nine months ended September 30, 2022). The 2023 effective tax rate was impacted by the redeemable preferred securities expense, which is not deductible for tax purposes.

Constellation is subject to tax audits in the countries in which the Company does business globally. These tax audits could result in additional tax expense in future periods relating to historical filings. Reviews by tax authorities generally focus on, but are not limited to, the validity of the Company's intercompany transactions, including financing and transfer pricing policies which generally involve subjective areas of taxation and a significant degree of judgment. If any of these tax authorities are successful with their challenges, the Company's income tax expense may be adversely affected and Constellation could also be subject to interest and penalty charges.

The dividend was distributed on February 23, 2023.

On September 8, 2023, the Company paid a special dividend (the "Rights Dividend") pursuant to which all common shareholders of record as of the close of business on September 1, 2023 received, by way of a dividend-in-kind, one right of the Company (each, a "Right") for each common share of the Company held. For every 3.03 Rights held, the holder of such Rights was entitled to subscribe for C\$100.00 principal amount of Series 1 Debentures that were issued in October 2023. The Rights will be accounted for upon issuance of the Series 1 Debentures.

On August 29, 2023, the Company paid a special dividend pursuant to which all common shareholders of record on August 24, 2023 received, by way of a dividend-in-kind, one warrant of the Company (collectively, the "Warrants"). Following notice by the Company of the exercise of the company redemption right, each Warrant will, upon exercise, entitle the holder thereof to receive, on the 10th business day following the last date of the Warrant Exercise Period (the "Series 2 Issuance Date") C\$100.00 principal amount of unsecured subordinated floating rate debentures, Series 2 of the Company (the "Series 2 Debentures") for each C\$100.00 principal amount of Debentures tendered for repurchase by the Company. The Company will pay any accrued and unpaid interest on the Debentures tendered for repurchase up to, but excluding, the Series 2 Issuance Date. Other than tendering the Debentures for repurchase, no additional exercise price will be owing by a holder of a Warrant upon the exercise of a Warrant. The Series 2 Debentures will be identical in all material respects to the Debentures, except that the Series 2 Debentures will not include a company redemption right. All unexercised Warrants will expire on the earlier of (i) the first date on which all the outstanding Debentures have matured or have otherwise been repurchased, redeemed or cancelled, and (ii) March 31, 2040. The fair value of the warrants is not significant.

### Fair values versus carrying amounts

The carrying values of cash, accounts receivable, accounts payable, accrued liabilities, dividends payable, the majority of acquisition holdbacks, and the CSI Facility, approximate their fair values due to the short-term nature of these instruments. The carrying value of the debt without recourse to CSI approximate their fair values as the debt is subject to market interest rates. The carrying value of the IRGA liability and the Term Loan with recourse to CSI approximates fair value.

## Fair value hierarchy

The table below analyzes financial instruments carried at fair value, by valuation method.

- level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities;
- level 2 inputs are inputs other than quoted prices included in level 1 that are observable for the asset or liability either directly (i.e. prices) or indirectly (i.e. derived from prices); and
- level 3 inputs are inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

In the table below, the Company has segregated all financial assets and liabilities that are measured at fair value into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date.

Financial assets and financial liabilities measured at fair value as at September 30, 2023 and December 31, 2022 in the condensed consolidated interim financial statements are summarized below. The Company has no additional financial liabilities measured at fair value after initial recognition other than those recognized in connection with business combinations and the redeemable preferred securities.
