

AbitibiBowater Selects MAJIQ, a Subsidiary of Constellation Software, for its Manufacturing Execution System

Toronto, Ontario, Canada, October 6, 2011 – MAJIQ Inc. (“MAJIQ”), a subsidiary of Constellation Software Inc. (“Constellation”) (TSX: CSU), is pleased to announce that AbitibiBowater has selected MAJIQ to deliver manufacturing execution systems for 17 mill operations.

About AbitibiBowater

AbitibiBowater is a global leader in the forest products industry, producing a diverse range of products, including newsprint, commercial printing papers, market pulp and wood products. The Company owns or operates 18 pulp and paper mills and 24 wood products facilities located in the United States, Canada and South Korea. Marketing its products in close to 90 countries, AbitibiBowater also has third-party certified 100% of its managed woodlands to sustainable forest management standards. The Company's shares trade under the stock symbol ABH on both the New York Stock Exchange and the Toronto Stock Exchange.

About Constellation:

Constellation's common shares are listed on the Toronto Stock Exchange under the symbol “CSU”. Constellation Software is an international provider of market leading software and services to a number of industries across both the public and private sectors. The Company acquires, manages and builds vertical market software businesses that provide mission-critical software solutions to address the specific needs of its customers in those industries.
