

Joint Press Release

Constellation Software Inc. and Topicus.com Inc. Announce Annual Meetings

TORONTO, ONTARIO, March 29, 2022 – The Topicus.com Inc. (“Topicus”) (TSXV: TOI) annual general meeting of shareholders will be held on Thursday May 5, 2022 at 8:00 am using a virtual meeting format with proceedings conducted solely via live audio webcast. The Constellation Software Inc. (“Constellation” or “CSI”) (TSX: CSU) annual and special meeting of shareholders will be held on Thursday May 5, 2022 at 9:00 a.m. using a virtual meeting format, with proceedings conducted solely via live audio webcast.

The link for the Topicus meeting is <https://meetnow.global/MZJDXA2>. The link for the Constellation meeting is <https://meetnow.global/MGG5DGF>. Detailed instructions for shareholders about how to participate in each meeting and how to duly appoint a proxyholder, as well as a copy of the Virtual Meeting User Guide, will be provided on the respective CSI and Topicus websites. To view or participate in either virtual meeting, shareholders will need access to an internet-connected device for the full duration of the meeting.

Similar to the Constellation annual shareholder meetings held in prior years, most of the Constellation senior management team will be in attendance at the virtual Constellation shareholder meeting, and will be available to answer questions. The question and answer period will take place following the formal portion of the Constellation shareholder meeting using the Constellation meeting link above.

While we will answer some questions posed during the virtual Constellation meeting, shareholders will also have the opportunity to pose questions in advance.

Shareholders wishing to pose a question in advance can do so at the following link:

<https://form.123formbuilder.com/6121122/form>

Questions will be organized thematically, consolidated and then posed at the virtual Constellation meeting to the CSI management team.

Forward Looking Statements

Forward Looking Statements Certain statements herein may be “forward looking” statements that involve known and unknown risks, uncertainties and other factors that may cause the actual events to be materially different from any future events expressed or implied by such forward -looking statements.
