The City and Borough of Juneau Alaska Selects Govern Inc., a Subsidiary of Constellation Software's Harris Subsidiary, as its Land and Revenue Management Solution Provider

Toronto, Ontario, Canada, January 28, 2008 – Harris Computer Systems ("Harris"), a subsidiary of Constellation Software Inc. (TSX: CSU) is pleased to announce that the City and Borough of Juneau Alaska (CBJ) has selected Govern Inc., a wholly owned subsidiary of Harris, as its revenue and land management solution provider.

Incorporated in 1970 with the unification of the cities of Juneau and Douglas, and the Greater Juneau Borough, CBJ's territory covers approximately 3,250 square miles. CBJ selected Govern's property centric land and revenue management solutions to meet the Assessment, Tax and Collection, Permit and Inspection, Utility Billing and eGovernment needs of the 31,000 citizens in the Alaskan capital.

"Govern is extremely pleased to have CBJ as a client and partner. CBJ has a long and impressive history of providing superior service to their citizens and we are excited to be a part of CBJ's future success. "We look forward to a long and successful partnership with CBJ", states Craig Ross, Executive Vice President for Harris' Govern Business Unit.

Based on the current implementation schedule, the Govern solutions are all expected to go live before the end of 2009.

About Harris:

Harris is a leading provider of utility customer information systems (CIS), billing, and financial management software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to public power and water markets as well as all levels of local government throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time. For further information on Harris Computer Systems, please visit our website at <http://www.harriscomputer.com>, or call 888-847-7747.

About Constellation:
