

## **Constellation Software Inc. Acquisition of Compusource**

**Toronto, Canada, August 7, 2009** -- Constellation Software Inc. ("Constellation") (TSX: CSU) announced today that it has completed, through its wholly-owned subsidiary Jonas Software, ("Jonas") the acquisition of Compusource Corporation. ("Compusource") of La Palma, CA. The acquisition of Compusource further strengthens Jonas' position in the construction market and represents its entry into the Moving & Storage and Metal Service Center verticals.

"The addition of Compusource provides us with a number of market leading products that will help us further our growth objectives" said Will Anderson, General Manager, of the Jonas Construction Division. "We look forward to working with the Compusource team to continue to enhance their product and service offerings."

Compusource Founder, Chairman and CEO David Roberts commented, "For over 35 years we have been providing excellent software systems and support to specific vertical markets. We believe that joining the Jonas team will not only maintain that record of success, but provide an opportunity to grow and improve our products and service."

### **About Constellation:**
