Constellation Software Inc. Completes Acquisition of Public Transit Solutions Segment from Continental AG

Toronto, Canada, November 2, 2009 -- Constellation Software Inc. ("Constellation") (TSX:CSU) announced today that its wholly owned subsidiary Trapeze Software Inc. ("Trapeze") has completed the acquisition of the Public Transit Solutions business of Continental Automotive AG ("Continental"). As part of the transaction, the PT business becomes a separate operating group of Trapeze called Trapeze ITS, led by Managing Director, Hans-Peter Schär. Further details of the transaction were disclosed in a press release on September 1, 2009 at which time Trapeze entered into an asset purchase agreement with Continental.

About Constellation
Constellation's common shares are listed on the Toronto Stock Exchange under the symbol "CSU". Constellation Software is an international provider of market leading software and services to a number of industries across both the public and private sectors. Constellation acquires, manages and builds vertical market software businesses that provide mission-critical software solutions to address the specific needs of its customers in those industries.

About Trapeze Software
Trapeze provides some of the most advanced software, intelligent transportation systems (ITS) and mobile technologies in the passenger transportation industry. Hundreds of government and commercial organizations across North America, Europe and Asia Pacific have turned to Trapeze to realize efficiencies, enhance the quality and scope of their services, and safely transport more people with less cost.
