Cowlitz County Selects Cayenta, a Subsidiary of Constellation Software's Harris Subsidiary

Toronto, Ontario, Canada – August 6th, 2009 - Harris Computer Systems ("Harris") is pleased to announce that the Public Utility District No. 1 of Cowlitz County, Washington ("Cowlitz PUD") has chosen Cayenta's Enterprise Resource Planning ("ERP") Solution for its ERP system. The Cayenta ERP is a comprehensive solution including Cayenta Utilities, Cayenta Financials and Cayenta Operations.

Cowlitz PUD provides electric service to 48,200 residential, commercial, industrial and street lighting customers. The PUD has repeatedly achieved greater economies of scale, benefiting its customers through low and stable rates. Cowlitz PUD was recently a co-winner of the 2009 Wind Power Pioneer Award by the U.S. Department of Energy Wind Powering America Program.

"Cowlitz PUD is a very responsive and effective consumer-owned utility and will be an excellent member of the Cayenta family. We look forward to a long and successful partnership with Cowlitz PUD" remarked Brad Atchison, General Manager of the Cayenta business division.

 "We are excited to create a solid foundation for the next generation at Cowlitz PUD." states Don McMaster, Chief Operating Officer for Cowlitz PUD.   "Cayenta through its Solution, methodology and people demonstrated that they are the right solution for Cowlitz PUD."

Cayenta provides a fully integrated and comprehensive ERP solution for mid-market utilities. Cayenta delivers effective solutions with tremendous value to fiscally-responsible utilities and governments.
