Mobile Area Water & Sewer System Selects Systems & Software, a Subsidiary of Constellation Software's Harris Subsidiary

Toronto, Ontario, Canada, April 8, 2008 – Harris Computer Systems ("Harris"), a subsidiary of Constellation Software Inc. (TSX: CSU) is pleased to announce that Mobile Area Water & Sewer System ("MAWSS") has selected Systems & Software ("S&S"), a wholly owned subsidiary of Harris, to implement its enQuesta 3e solution.

MAWSS is a very forward thinking organization that is primarily focused on providing the best service to its growing customer base. The implementation of enQuesta will continue to demonstrate to their end customers that they are a customer-centric, fiscally responsible and dependable company. Utilizing enQuesta's customer self-service options, MAWSS' customers will have the ability to initiate service orders, view account transactions and usage history as well as pay their bills securely on-line via enQuesta PayConnect™.

"We are very pleased that MAWSS has selected enQuesta to help exceed their end customers' expectations and to improve their internal business practices with enQuesta's advanced technology and functionality," said Dave Decker, Executive VP, Systems & Software.

About Harris:

Harris is a leading provider of utility customer information systems (CIS), billing, and financial management software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to public power and water markets as well as all levels of local government throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time. For further information on Harris Computer Systems, please visit our website at <http://www.harriscomputer.com>, or call 888-847-7747.

About Constellation:
