

## **Volaris Group, a Constellation Software Company, Enters into Agreement to Acquire a European Provider of Vertical Market Software**

**TORONTO, ON, JULY 3, 2019** – Constellation Software Inc. (“Constellation”) (TSX: CSU) today announced that its wholly-owned division Volaris Group (“Volaris”) has entered into an agreement to acquire a European provider of vertical market software. Completion of the acquisition remains subject to mutually agreed closing conditions.

### **About Volaris Group**

Volaris acquires, strengthens and grows vertical market technology companies. As an Operating Group of Constellation, Volaris is all about strengthening businesses within the markets they compete and enabling them to grow – whether that growth comes through organic measures such as new initiatives and product development, day-to-day business, or through complementary acquisitions.
