

Constellation Software Inc. Acquires certain Assets of Lender Processing Services LLC

TORONTO, ONTARIO, May 4, 2012 –

On May 3, 2012 Constellation Software Inc. ("Constellation") (TSX:CSU) announced that it had acquired the assets of the Local Government Solutions division of Lender Processing Services LLC.

For greater certainty, Constellation now wishes to clarify that the acquisition was of certain assets of Lender Processing Services LLC, and was not in any way related to the assets or business of Local Government Solutions, LP which is a division of Information Capital.

We apologize for any confusion or concern that the May 3rd press release may have caused.

About Harris Computer Systems

Harris is a wholly owned division of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
