

## **Amcor Selects Majiq, a Subsidiary of Constellation Software, for its Order to Cash System**

**Toronto, Ontario, Canada, August 30, 2010** – Majiq Inc. (“Majiq”), a subsidiary of Constellation Software Inc. (TSX: CSU), is pleased to announce that Amcor Australasia (“Amcor”) has selected Majiq to deliver a full order to cash solution for the Botany and Petrie mill operations.

Amcor Australasia, headquartered in Hawthorn, Australia, is a leader in responsible global packaging solutions supplying a broad range of fibre, metal and glass packaging products to enhance the products consumers use in everyday life.

Majiq is delivering a full order to cash solution including Elixir for sales order processing and manufacturing execution at both mill locations. Majiq is also delivering solutions for costing and mill information systems.

### **About Constellation:**

Constellation’s common shares are listed on the Toronto Stock Exchange under the symbol “CSU”. Constellation Software is an international provider of market leading software and services to a number of industries across both the public and private sectors. The Company acquires, manages and builds vertical market software businesses that provide mission-critical software solutions to address the specific needs of its customers in those industries.
