

Constellation Software Inc. Finalizes Acquisition of Municipal Software Corporation

Toronto, Canada, July 18, 2008 -- Constellation Software Inc. (“Constellation”) (TSX:CSU) announced today that its wholly-owned subsidiary N. Harris Computer Corporation (“Harris”) has completed the acquisition of substantially all of the assets of Municipal Solutions Group (“MSG”) (TSX VE:MSZ), including the shares of its wholly-owned operating subsidiary, Municipal Software Corporation (“MSC”) (but excluding those assets which constitute MSG’s “Local Government Manager” product). Further details of the transaction were disclosed in a news release of June 3, 2008 at the time Constellation entered into an acquisition agreement to acquire MSG.

About Constellation:

Constellation’s common shares are listed on the Toronto Stock Exchange under the symbol “CSU”. Constellation Software is an international provider of market leading software and services to a number of industries across both the public and private sectors. Constellation acquires, manages and builds vertical market software businesses that provide mission-critical software solutions to address the specific needs of its customers in those industries.

About Harris:

Harris is a wholly-owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time. For further information on Harris Computer Systems, please visit our website at <http://www.harriscomputer.com>, or call 888-847-7747.
