Constellation Software Inc. Acquires the Assets of the Vintage Consulting Group

Toronto, Canada, June 3, 2008 -- Constellation Software Inc. (“Constellation”) (TSX: CSU) announced today that it has completed, through its wholly-owned subsidiary Orion Wine Software Inc. (“Orion”), the acquisition of the assets of the Vintage Consulting Group.

“The acquisition of Vintage Consulting Group provides Orion the opportunity to expand our offerings in the winery vertical market and apply our proven operational models and strategies” said Dexter Salna, President of Orion. “We are excited that we have been able to build upon a new vertical market that we recently entered and welcome the employees, customers and products into the Orion family.”

According to Jay Hall, President of Vintage Consulting Group, the acquisition will “enable our software team to further develop our products and services to the Wine industry. With the greater resources of Orion, and an expanded array of products, we will be able to satisfy the needs of our customers better than ever before.”

About Constellation:

Constellation’s common shares are listed on the Toronto Stock Exchange under the symbol “CSU”. Constellation Software is an international provider of market leading software and services to a number of industries across both the public and private sectors. The Company acquires, manages and builds vertical market software businesses that provide mission-critical software solutions to address the specific needs of its customers in those industries.

Forward Looking Statements

Certain statements herein may be "forward looking" statements that involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of Constellation or the industry to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. These statements reflect current assumptions and expectations regarding future events and operating performance and speak only as of the date hereof. Forward looking statements involve significant risks and uncertainties, should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not such results will be achieved. A number of factors could cause actual results to vary significantly from the results discussed in the forward looking statements. These forward looking statements are made as of the date hereof and Constellation assumes no obligation to update any forward looking statements to reflect new events or circumstances.
