

Constellation's Volaris Group Enters New Communications Vertical with Acquisition of Incognito Software

TORONTO, ON, SEPTEMBER 22, 2014 –Constellation Software Inc. (TSX:CSU) today announced that its wholly-owned subsidiary, Volaris Group, has acquired Incognito Software Inc. and Interactive Enterprises Inc. (Ireland), collectively (“Incognito”), a communications Operations Support Systems (OSS) solutions business. The acquisition is Volaris’ first acquisition in the Communications vertical market.

Incognito’s OSS solutions are sold to Communication Service Providers (CSPs) in both the cable and telecommunications markets enabling them to quickly and cost-effectively deploy data, voice, and video services across a multitude of fixed and wireless networks, vendors, technologies, and standards. Incognito has over 250 customers in North America, Latin America, Europe, Asia Pacific, and Middle East & Africa.
