Constellation Software Announces
US$80 Million Investment in Redknee

Toronto, Canada, December 9, 2016 – Constellation Software Inc. ("Constellation") (TSX: CSU) announced today that Constellation and a subsidiary of Constellation have entered into an agreement with Redknee Solutions Inc. ("**Redknee**") (**TSX: RKN**) providing for an investment of US $80 million by Constellation in Redknee (the "**Redknee Agreement**").

Pursuant to the Redknee Agreement, Redknee has agreed to complete a private placement to a subsidiary of Constellation of Series A Preferred Shares of Redknee and a common share purchase warrant for gross proceeds of US $80 million. The holders of the majority of the outstanding Preferred Shares will be entitled to nominate and elect a majority of the directors of Redknee. Dividends on the Preferred Shares if, as and when declared by the board of directors of Redknee, will be payable quarterly on the last business day of each calendar quarter at the rate of 10% per annum on the original issue price of US$100 per Preferred Share; provided, that to the extent such dividends are not declared and paid, dividends accrue at the annual dividend rate and compound monthly. Completion of the investment will be subject to approval of holders of common shares of Redknee at a meeting of shareholders expected to be held in late January 2017.

The foregoing description of the transaction and the terms of the Redknee Agreement is a summary only, is not complete and is qualified in its entirety by reference to the full text of the Redknee Agreement, which will be filed on SEDAR by Redknee.
