Clark Public Utilities Selects Cayenta, a Subsidiary of Constellation Software's Harris Subsidiary, for Its Customer Information System

TORONTO, ON, August 14, 2012 – Constellation Software Inc. (TSX:CSU) today announced that Harris Computer Systems ("Harris"), a wholly-owned subsidiary, has signed a significant contract with Clark Public Utilities for replacement of its Customer Information System. The implementation will commence in September 2012 and the software and services will be delivered by Cayenta, a wholly-owned subsidiary of Harris.

Clark Public Utilities is a customer-owned utility providing service in Clark County, Washington. It currently provides electric service to more than 184,000 customers and water service to more than 30,000 homes and businesses.

About Constellation Software Inc.

Constellation's common shares are listed on the Toronto Stock Exchange under the symbol "CSU". Constellation Software is an international provider of market leading software and services to a number of industries across both the public and private sectors. The Company acquires, manages and builds vertical market software businesses that provide mission-critical software solutions to address the specific needs of its customers in those industries.

About Harris Computer Systems

Harris is a wholly owned division of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
