

## **Constellation Software Completes Acquisition of Selected Assets of John Deere Agri Services, Inc.**

**TORONTO, ONTARIO, January 3, 2011** – Constellation Software Inc. (“Constellation”) (TSX:CSU) today announced that it has completed the acquisition of selected assets of John Deere Agri Services, Inc., (“JDAS”), a division of Deere & Company. The business has been incorporated as AGRIS Inc. with two divisions serving the agri-business industry – AGRIS ([www.agris.com](http://www.agris.com)) for the Grains and Oilseeds market and ExtendAg ([www.extendag.com](http://www.extendag.com)) for the Fruits and Vegetables market. Other agri-businesses under the Constellation umbrella include UK-based organizations BMS Computer Solutions, Cal Software, and Kinross Software.

### **About Constellation**

Constellation’s common shares are listed on the Toronto Stock Exchange under the symbol “CSU”. Constellation Software is an international provider of market leading software and services to a number of industries across both the public and private sectors. The Company acquires, manages and builds vertical market software businesses that provide mission-critical software solutions to address the specific needs of its customers in those industries.
