

## **Miami-Dade County Selects Trapeze Group, a Subsidiary of Constellation Software's Volaris Group, for Comprehensive Operations Management Solution**

**TORONTO, ON, MARCH 12, 2013** – Constellation Software Inc. (“Constellation”) (TSX: CSU) today announced that Trapeze Group, a subsidiary of its wholly owned division Volaris Group, has signed a significant contract with Miami-Dade County of Miami, Florida to provide a comprehensive workforce and operations management solution to Miami-Dade Transit (“MDT”).

MDT, one of the largest departments of the Miami-Dade County government, is responsible for planning and providing all public transit services in the county. The Trapeze solution for MDT is designed to support MDT’s fixed-route services and daily dispatch and management operations. The solution integrates with MDT’s existing Trapeze systems for scheduling, planning and traveller information as well as third-party applications.

Miami-Dade has been a valued Trapeze customer for more than 15 years; it is the 14th largest public transit system in the USA and the largest transit agency in the state of Florida.

### **About Trapeze Group**

Trapeze delivers solutions that consider the full 360 degrees of passenger transport. Whether addressing the needs of a single department, an entire organization, or the community, Trapeze provides some of the most advanced software, intelligent transportation systems and mobile technologies in the industry. Hundreds of government and commercial organizations across North America, Europe and Asia Pacific have turned to Trapeze to realize efficiencies, enhance the quality and scope of their services, and safely transport more people with less cost.
