

The Port Authority of New York and New Jersey Selects AssetWorks, a Subsidiary of Constellation Software's Volaris Group Subsidiary, for Comprehensive Enterprise Asset Management Solution

Toronto, Ontario, June 3, 2011 – AssetWorks Inc., a subsidiary of Constellation Software Inc.'s (TSX: CSU) Volaris Group subsidiary, is pleased to announce that it has signed a significant contract with The Port Authority of New York and New Jersey for provision of a comprehensive enterprise asset management solution. The solution for The Port Authority of New York and New Jersey includes software for fleet management, rail rolling stock maintenance management and linear asset management.

The Port Authority of New York & New Jersey conceives, builds, operates and maintains infrastructure critical to the New York/New Jersey region's trade and transportation network. These facilities include America's busiest airport system, marine terminals and ports, the PATH rail transit system, six tunnels and bridges between New York and New Jersey, the Port Authority Bus Terminal in Manhattan, and the World Trade Center.

About AssetWorks

AssetWorks is a leading supplier of fleet Enterprise Asset Management (EAM) software and implementation services and Automated Fueling Systems provider in North America, with more than 500 software customers, including more than 85 public transportation customers, including six of the top ten U.S. transits. AssetWorks solutions enable fleet organizations to improve maintenance practices, streamline operations, and improve accountability for mission-critical transportation assets.
