Constellation Acquires ProSoft Technologies

Toronto, Ontario – June 30, 2011 - Constellation Software Inc. (“Constellation”) (TSX: CSU) today announced that its wholly-owned subsidiary Harris Computer Systems (“Harris”), a leading provider of financial, customer and student information management software solutions for utilities, local governments and school districts, purchased ProSoft Technologies, Inc. (“ProSoft”).

ProSoft offers a complete portfolio of products and services for Pennsylvania school districts including: student management, scheduling, human resources, payroll, fund accounting, and student activity fund management, and tax management for local municipalities. As a result of the transaction, ProSoft will be consolidated within Harris School Solutions, the Harris operating division focused on administrative solutions for K-12 school districts throughout North America.

Jerry Canada, General Manager of Harris School Solutions commented, “ProSoft is the continuation of the Harris School Solutions growth plan as it strengthens our market share in key states such as Pennsylvania. We will look to complement the ProSoft product portfolio with our own solutions and continue to grow our presence in the state.” Harris will continue to develop, service, and support the ProSoft product line from the current Bethel Park, PA office.

“Harris brings additional resources that will enhance our continuing commitment to our clients. We are pleased to join the Harris family and look forward to supporting and growing our customer base under their depth of experience within the K-12 market”, said Scott Anderson, President of ProSoft.
