

Constellation Software's Harris Division Completes Acquisition of Offender Management Systems Provider

Toronto, Canada, October 26, 2017 – Constellation Software Inc. (“Constellation”) (TSX:CSU), today announced its wholly-owned division N. Harris Computer Corporation (“Harris”) has acquired Syscon Justice Systems Ltd. (“Syscon”), a business providing Offender Management Systems (OMS) to correctional clients around the world. Syscon, headquartered in Richmond, British Columbia, provides feature-rich, customizable solutions to top-end agencies globally, encompassing more than 400,000 offenders.

Jean (John) Soucy, President Harris Public Sector Group, commented, “The acquisition of Syscon expands our capability to serve correctional institutions across North America, the United Kingdom and Australia. We are excited to have the opportunity to bring forth such comprehensive OMS applications, thanks to Syscon’s global team of specialists.”

About Constellation Software Inc.

Constellation Software acquires, manages and builds vertical market software businesses that provide mission-critical software solutions.
