

Constellation Acquires I.M.D. Soft Ltd.

Toronto, Canada, November 28, 2016 – Constellation Software Inc. (“Constellation”) (TSX:CSU), today announced its wholly-owned subsidiary N. Harris Computer Corporation (“Harris”) has acquired all of the shares of I.M.D. Soft Limited (“iMDsoft”) a leading international clinical information systems software provider.

Jeff Bender, Chief Executive Officer of Harris, commented, “We continue to be impressed with the product and market vision of the iMDsoft employees and believe they are a great addition to the Harris healthcare family. This is a great opportunity to add a number of marquee international customers as well as an established and proven sales distribution network. Harris and iMDsoft share the same goals – enhancing quality of care for patients and improving the financial performance of the hospital.”

About Constellation Software Inc.

Constellation Software acquires, manages and builds vertical market software businesses that provide mission-critical software solutions.

About N. Harris Computer Corporation
