

Constellation Software Announces Appointment of Susan Gayner and Dexter Salna to its Board of Directors

Toronto, Ontario – September 20, 2019 – The board of directors of Constellation Software Inc. (“Constellation”) (TSX: CSU) announced today the appointment of Susan Gayner and Dexter Salna to the Company’s Board of Directors.

Susan Gayner is President and CEO of ParkLand Ventures, Inc., an owner-operator of multifamily housing communities in the US. She is a Chemical Engineer by training and prior to her tenure with ParkLand served in various capacities with both the DuPont Company and Hercules, Inc. She currently serves on the board of directors of Synalloy Corporation, where she is chair of the Governance Committee. She holds a BA (Chemistry) and an ME (Chemical Engineering), both from the University of Virginia.

Dexter Salna joined Constellation in 1995 and is currently the President of the Perseus operating group within Constellation. Prior to his current position, Mr. Salna held various senior executive positions within the Volaris operating group of Constellation.
