

Constellation Software Inc. Acquires the Business Assets of EZ Facility.com Inc.

Toronto, Canada, September 30, 2009 -- Constellation Software Inc. (“Constellation”) (TSX: CSU) announced today that its wholly-owned subsidiary, Gary Jonas Computing Ltd. (“Jonas”) has completed the acquisition of the business assets of EZ Facility.com Inc. (“EZ”) of Bethpage New York. The acquisition expands Jonas’ presence in the sports facilities, personal training studios, and health and fitness club markets.

“EZ is a recognized leading provider of hosted software solutions and services in their target markets, both within North America as well as internationally,” said Barry Symons, CEO of Jonas. “We are excited to welcome the EZ customers and employees into the Jonas family.”

EZ President, Adam Zeitsiff stated “The entire EZ team is excited to be joining the Jonas family. Teaming up with a company that understands vertical market software with a long track record of success such as Jonas’ presents a unique opportunity for our customers, our employees and our business partners.”

About Jonas:

Jonas is a leading provider of enterprise management software solutions to the Club, Fitness, Foodservices and Construction Management industries. Jonas has over 8,000 customers, in over 15 countries worldwide. Jonas’ focus is on creating long term relationships with our customers and ensuring we meet and exceed their software and service needs.

About Constellation:

Constellation’s common shares are listed on the Toronto Stock Exchange under the symbol “CSU”. Constellation Software is an international provider of market leading software and services to a number of industries across both the public and private sectors. The Company acquires, manages and builds vertical market software businesses that provide mission-critical software solutions to address the specific needs of its customers in those industries.
