Constellation Software's Volaris Group Acquires Wynne Systems, Inc. InfoManager, Inc. and Wynne Systems EMEA, N.V.

TORONTO, ON, MAY 17, 2012 – Constellation Software Inc. ("Constellation") (TSX: CSU) today announced that its wholly-owned division Volaris Group has purchased Wynne Systems, Inc. ("Wynne"), InfoManager, Inc. ("InfoManager Inc.") and Wynne Systems EMEA, N.V. from United Rentals (North America), Inc. The acquisition expands Volaris' market presence in the rental management software vertical.

Headquartered in Irvine, California with customers across North America and Europe, Wynne is a leading provider of end-to-end software solutions for rental management. Its market leading solution, RentalMan®, is a fully integrated ERP solution helping to manage the full lifecycle of rental management from contract and order management through to inventory utilization, maintenance and financials. In addition, InfoManager Inc. offers InfoManager® – a robust business intelligence tool.

The companies that make up Volaris Group's rental management software vertical include Wynne Systems and SBC – a provider of business management software to the rental industry.

Including the acquisition of Wynne, Constellation has deployed approximately $50 million year to date on acquisitions.
