

Port Authority of Allegheny County Selects Trapeze Group, a Subsidiary of Constellation Software's Volaris Group, for Comprehensive Enterprise Asset Management Solution

TORONTO, ON, MARCH 27, 2013 – Constellation Software Inc. (“Constellation”) (TSX: CSU) today announced that Trapeze Group (“Trapeze”), a subsidiary of its wholly owned division Volaris Group Inc. (“Volaris”), has signed a significant contract with the Port Authority of Allegheny County (“Authority”) in Pittsburgh, Pennsylvania to provide a comprehensive enterprise asset management solution to effectively schedule, manage and track maintenance work for its fleet, fixed facility, and linear assets.

The Trapeze solution for the Authority helps to manage the processes required for keeping assets in a state of good repair; the solution handles all of the functions related to vehicle maintenance (including repair and preventative maintenance work orders), operating expenses (including fuel, oil and parts) and vehicle availability.

The Authority operates, maintains and supports bus, light rail, incline and paratransit services for nearly 220,000 daily riders in the city of Pittsburgh, Allegheny County, and its suburbs through multiple modes of transit, including buses, light rail vehicles and inclined plane cars. Its fleet includes approximately 700 buses and 83 light rail vehicles.

About Trapeze Group

Trapeze delivers solutions that consider the full 360 degrees of passenger transport. Whether addressing the needs of a single department, an entire organization, or the community, Trapeze provides some of the most advanced software, intelligent transportation systems and mobile technologies in the industry. Hundreds of government and commercial organizations across North America, Europe and Asia Pacific have turned to Trapeze to realize efficiencies, enhance the quality and scope of their services, and safely transport more people with less cost.
